

This paper is issued at the beginning of every month. Its purpose is to be a record of events of local interest, and a medium of information to persons attending the services. Any member of the congregation having items of interest to contribute, will kindly drop such communications in the St. Andrew's box in the vestibule of the Church.

In order to pay the balance of our coal bill for this
year, for which, as usual, we depend chiefly on the
Easter Offertery, we require at least \$100. It is not
too much to expect that this amount will be provided
on Easter Day.

The Rev. H. Gomery, who visited St. Alban's on
behalf of the S. P. C. K., was unfortunate in missing
his travelling connections, with the result that he did
not meet so large a congregation or obtain as large a
response as was expected. He, however, expressed
his thanks for such as we gave to the Society, and
informed us that it was more than he has obtained
from much larger and more wealthy congregations.

Mr. R. C. Windeyer, architect of St. Alban's, died
on 24th March.
