for the manufacture of Primers and
Fuses, for Shells.

SPECIAL MARINE BRONZE ROD
for SHAFTING and BEARINGS

We are glad to announce to the Trade that we have completed a New EXTRUSION MILL for the manufacture of Brass Rods and Shapes. The capacity of this New Mill will be 2,000,000 pounds per month.

In addition to this we are building a New Sheet Rolling Mill, which will increase our capacity over 100 per cent., and give us a total production of 3,000,000 pounds Sheet Metal per month.

Our combined output for 1917 will be 5,000,000 pounds monthly.
