## Peerless Water Systems

### PUT IT UP TO YOUR WIFE

Ask her how she would like to have hot and cold water on tap in any room. Explain how the water is pumped from your spring, or well, or stream, into an airtight tank under pressure, and piped to all parts of the house or farm. Better still, write to-day for the Peerless Water System booklet, learn how inexpensive the system is, and discuss it with all the facts before you. Write to-day to:

National Equipment Co. Limited  
33 Wabash Ave., Toronto

They work as you hoped they would
