

ROAD CARTS! WAGONS, TRUCKS & DEMOCRATS

\$16

In designing our now well known \$16 Road Carts for the spring trade of 1892, we have made many improvements over last year's carts, both as to strength and finish. All axles and tires are warranted solid steel, and as we only send out carts finished in natural wood and varnished, every buyer can see the exact quality of the woodwork used in this remarkably cheap, strong road cart. Every cart is cushioned, and every cart will carry two persons. All our carts are finished ready to hitch to. Cash must be sent with order in every instance. As a special inducement to order the two together we offer one of our \$16 carts and our \$15 set of harness for even \$30.

The best American Amber Machine Oil, in barrel lots, 30c. per gallon. Send us 10c. for sample of this American Amber Oil. For farmers' use on agricultural machinery and for threshers' use we claim this Amber Oil to be the very best oil ever offered in Canada.

Our new spring price list is just from the printer's hands. The new prices take effect on April 1st. Many of our goods have been reduced in price, but in no instance have they been advanced. This price list is sent free to all who apply for it. Our terms are spot cash with the orders, and our spot cash small margin and quick sale system is a great success. Remember our prices are so close cut that they are for close spot cash buyers only. The best fruit trees rayer yet produced for only \$1.50.

The plans of insurance operated by the Manufacturers' Life are universally admitted to be not only the most popular but also the most liberal and comprehensive now offered to the public. For a premium not very much larger than is charged for a \$5,000 policy, where the entire insurance is to be paid in one sum down, this Company will give a policy of \$10,000, payable in twenty annual instalments of \$500 each. That's the instalment plan. By insuring on the ten-twenty plan a man may carry \$1,000 for the insignificant sum of twenty three cents a week!

No other company in the world can give cheaper insurance than this.
