## GOSSIP.

A. Edward Meyer, of Guelph, Ont., reports the following recent sales from his Shorthorn herd: To W. G. Robertson, Auburn, Ont., the ten-months-old red bull calf, Auburn Hero, by Scottish Hero (imp.), and out of Snow Girl C. 2nd, by the Duthie-bred Missie bull, Lord Mistletoe (imp.). To John Senn & Son, of York, Ont., the imported cow, Averene =75478=, with a very promising bull calf at foot, by Scottish Hero (imp.) =55042=. To G. & W. Parkinson, Guelph, the two-year-old heifer, White Beam, by Scottish Hero (imp.), and out of Roan Bessie 2nd, by Chief of Stars (imp.). She had a very fine bull calf at foot, by the stock bull, Janitor, a half-brother to the \$3,600 heifer at the late Toronto sales, and which is developing into a grand good bull. To Alex. Marshall, of Cass City, Mich., the ten-months Marr Missie bull, Missie Lad, by the Marr Roan Lady bull, Woodfield Champion, and out of Missie of Clover Lea 7th. To R. G. Reid, of Frelton, Ont., the richly-bred Missie cow, Broadhooks' Missie 2nd =75132=, by Butterfly King (imp.) =50019=, dam Broadhooks' Missie, by Broadhooks' Golden Fame (imp.), sold for \$900 at auction. Mr Reid also gets the very promising Bruce Augusta bull calf, August Lad 2nd, by Scottish Hero (imp.), and out of the imported Deane Willis-bred cow, Trout Creek Augusta. Mr Meyer has no bulls for sale, but will sell females of all ages, many with calves at foot, or well gone in calf, which will be priced very reasonably.

## THE MANOR SHORTHORNS.

Marked improvement in the type, early development and heavy-fleshing qualities, is characteristic of the get of the present stock bull at the head of the renowned herd of Scotch Shorthorns, the property of J. T. Gibson, of Denfield, Ont. He is Baron's Pride =72491=, bred by W. C. Edwards, Rockland, sired by the famous Missie's Champion, a son of the \$6,000 cow, Missie 153rd, dam Pine Grove Clipper 5th, a Cruickshank Clipper, by British Knight, a son of the great show cow, Bessie of Rockland. This bull has developed into an immensely thick, even, mellow animal, and is proving the best sire that was ever at the head of this excellent herd, though many Toronto and other prizewinners have been bred here. A couple of young bulls, got by him, one a red seven-months-old, the other a red 6-months-old, are surely a great pair. The former out of Proud Julia 2nd, a Cruickshank Jealousy, is one of the best we have seen at the age, and should be fitted for show purposes; the other, very nearly as good, is out of a C. J. cow of the same tribe, imported in dam. He is breeding just as good in heifers, and present indications are that the get of Baron's Pride will, in the near future, be among the best of the leading Canadian sires. His predecessor in service, many of whose daughters are showing exceptionally choice in type, was the right nice, mellow-fleshed bull, Star Prince, a Bruce Mayflower, sired by Imp. Lavender Star, dam Imp. Sunny Princess. Other sires that have been at the head of the herd, and whose daughters make up most of the breeding matrons, were: The Lustre-bred bull, Imp. Governor-General; the C. Lovely bull, Imp. Prime Minister, and the Pride bull, Imp. Proud Gift. On blood lines, the herd is made up of Minas, Jealousys, Lustres, Marthas, Clippers, Wimples, Rosemarys and Undines. Big, thick cows, carrying a wealth of flesh, is characteristic of the herd. In heifers, for sale, are such choice show propositions as the white September Wimple, by the stock bull, which should be a nut to crack next fall, if carried along well. Another right good one is a roan yearling Jealousy, by the stock bull, dam by Imp. Proud Gift. Parties looking for choice heifers should visit this herd. In young bulls, for sale, old enough for service, there is only one left, a red yearling, by the stock bull, and out of Nonpareil Undine, a daughter of Imp. Nonpareil Duke, grandam Imp. Lady Fanny, an Undine, by the Broadhooks bull, Baron Buttercup. No fancy prices are asked, and the quality is the best. Mr. Gibson has also for sale about 20 shearling Lincoln rams, a big, growthy lot.

Troy Chemical Co., Binghamton, N. Y.: My contract No. was 63735. I used your remedy on a mule that was kicked on the hock, the whole joint enlarged. It was the size of a child's head. He would not put his foot on the ground. His hip was shrunken to skin and bone. One of the state veterinaries and others said he would not be worth a sou. I gave a pig and 50c for him and used the bottle of "Save-The-Horse" as directed, and now he is sound. It is wonderful stuff, W. S. HAYES.

## SUFFERED SINCE HER CHILDHOOD

But Dodd's Kidney Pills made Mrs. Laprairie a new Woman.

Nipissing Lady gives an experience that should prove of immense value to the suffering women of Canada.

Laprairieville, Nipissing District, Ont., April 10.—(Special).—After suffering from various forms of kidney ills since she was a child, Mrs. O. Laprairie is a well woman, and once more it has been proved that no case of Kidney Trouble is too severe or of too long standing for Dodd's Kidney Pills to cure.

Interviewed regarding her cure, Mrs. Laprairie said:

"Since I was twelve years of age I have suffered from Kidney Disease. I was always tired. My back would ache and I always had a sharp pain in the top part of my head. My heart also troubled me.

"Hearing of Dodd's Kidney Pills, I gave them a trial, and now I feel like a new woman."

Thousands of Canadian men and women are feeling just as Mrs. Laprairie does—as if life had started all over for them—just because they have cured their kidneys with Dodd's Kidney Pills. For the kidneys are the mainspring of life. If they are clogged or out of order, the whole body is wrong. Dodd's Kidney Pills always put the kidneys in good working order.
