The Safest Matches in the World

66 years ago the first Canadian Match was made in Hull by EDDY. It was a good match, but those that were made after it were better and still better, until perfection is reached in the EDDY non-poisonous, chemically self-extinguishing match that is known to-day Canada over—The "Silent 5."

The Public reposes a trust in you, Mr. Grocer—it is your duty to give your Customers only the best in every line that their money can buy. We tell you why our Matches are the best and it only remains for you to stock up!

EDDY'S Washboards, Indurated Pails and Tubs, Paper Products, Bags, etc., are as good standard of quality as are EDDY'S MATCHES.
