## "DIRECT TO YOU"

Direct Distributors of the **Choicest, Purest and Freshest Groceries** to the most shrewd, thrifty and prosperous Farmers, Ranchers and Hotel Keepers in the Provinces, who act on the principle that "Money Saved is Money Earned."

The fact of you living many miles from this Great Market Centre is no barrier to you taking advantage of the best that is offered there—thanks to the quick dispatch of mails and the almost equally fast transportation service. We have customers in British Columbia who, although 2,000 miles away, evidently find it profitable to buy from us, as also do our customers in Western Ontario and the intervening territory, and judging from the letters received from many of these customers they are not only "satisfied" but "well pleased" with the goods they receive, as well as the prompt service, and ESPECIALLY THE LOW PRICES.

In our catalogue which is issued at regular intervals and which will be mailed regularly to those requesting same we quote bargain prices on upwards of three hundred of the most economical lines of Staple Groceries on the market.

Each one of the thousands of readers of this paper, who through co-operation are endeavouring to get in touch with the best markets possible should have a copy of this catalogue regularly, thereby keeping in touch with the best that is offered in the greatest market centre of the west.

To those who intend visiting Winnipeg during the Great Industrial Exhibition we extend a hearty invitation to visit our Sample Rooms, at No. 610 Portage Ave. You may not wish to place an order at that time but it will be to our mutual benefit to get acquainted.

In the meantime, if you have not a copy of our Catalogue drop us a Card and you will receive it by return mail.
