Now that a challenge for a series of races for the 'America's Cup, to take place off Sandy Hook next year, has been accepted and a contender as well as one defender is now under way and one or more other defenders may be built, interest naturally exists in the man who will design and build the yacht that is to cross the Atlantic and race for the coveted blue ribbon trophy of the seas.

To Mr. Charles E. Nicholson has been assigned the work of designing the contending yacht. Mr. Nicholson and Messrs. B. W. and A. W.
