Wit and Humor.

Never kick a man when he is down, unless you are sure he can't get up.

"Beecher thinks piety is the best cure for a scolding wife. We don't know how that is, but a married friend around the corner says he long ago satisfied himself that a scolding wife is the best cure for piety."

A spread-eagle orator of New York wanted the wings of a bird to fly to every village and hamlet in the broad land; but he wilted when a naughty boy in the crowd sang out, "You'd be shot for a goose before you had flew a mile."

Two Irishmen were in prison—one for stealing a cow, the other for stealing a watch. "Hullo, Mike, and sure what o'clock is it?" said the cow-stealer. "An sure," said the watch-stealer, "I've no time-piece handy, but suppose it's just about milking time."

A few days ago, a very handsome lady entered a dry-goods house and inquired for a "beau." The polite clerk threw himself back, and remarked that he was at her service. "Yes; but I want a bull, not a green one," was the reply. The young man went on measuring goods immediately.

NELSON'S CELEBRATED
CHEROKEE VERMIFUGE.
Certain Death to Worms.
PLEASANT TO TAKE.
WHENEVER a child is noticed to be growing habitually pale, complaining of violent pains in the stomach and abdomen, has variable appetite and a dry cough, and is frequently fed, by irritation to carry the hands to the nose, then
Try Nelson's Cheokee Vermifuge,
for it is certain that the child has WORMS.
NELSON'S CHEROKEE VERMIFUGE will certainly effect a cure, whether a person afflicted be infant *or adult*, as is proved by its universal success; whice has been such as to warrant the offer to
RETURN THE MONEY
in any case in which it should fail to prove effectual, when the symptoms have justified the administering of the
VERMIFUGE.
It is here by certified that the preparation contains *no mercury*, and is an innocent medicine, incapable of doing the least injury, even to the most tender infant, if given strictly according to the directions enclosed with each bottle.

Consumption, Coughs, Colds, Catarrh, Croup, &c., &c.
ALL should buy Collins' Chest Curative who need to try any medicine for Consumption, as it is before and beyond all others, the most effectual and the most pleasant medicine to take. If you cough you will find it quite so. Colds are cured by it, (in large doses); CROUP, after an emetic, yields to it; CATARRH disappears before it; BRONCHITIS cannot retain its hold.
This most excellent medicine for all diseases of the Chest and Throat is guaranteed to be purely vegetable; no noxious minerals enter into its composition; and myriads have blessed the day when first they were induced to try the Lung medicine with eight C's.

VINEGAR BITTERS
Grateful Thousands proclaim VINEGAR BITTERS the most wonderful invigorant that ever sustained the sinking system.
No Person can take these Bitters according to directions, and remain long unwell, provided their bones are not destroyed by mineral poison or other means, and vital organs wasted beyond repair.
Bilious, Remittent and Intermittent Fevers, which are so prevalent in the valleys of our great rivers throughout the United States, especially those of the Mississippi, Ohio, Missouri, Illinois, Tennessee, Cumberland, Arkansas, Red, Colorado, Brazos, Rio Grande, Pearl, Alabama, Mobile, Savannah, Roanoke, James, and many others, with their vast tributaries, throughout our entire country during the Summer and Autumn, and remarkably so during seasons of unusual heat and dryness, are invariably accompanied by extensive derangements of the stomach and liver, and other abdominal viscera. In their treatment, a purgative, exerting a powerful influence upon these various organs, is essentially necessary. There is no cathartic for the purpose equal to DR. J. WALKER'S VINEGAR BITTERS, as they will speedily remove the dark-colored viscid matter with which the bowels are loaded, at the same time stimulating the secretions of the liver, and generally restoring the healthy functions of the digestive organs.
Fortify the body against disease by purifying all its fluids with VINEGAR BITTERS. No epidemic can take hold of a system thus fore-armed.
Dyspepsia or Indigestion, Headache, Pain in the Shoulders, Coughs, Tightness of the Chest, Dizziness, Sour Eructations of the Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Inflammation of the Lungs, Pain in the region of the Kidneys, and a hundred other painful symptoms, are the offsprings of Dyspepsia. One bottle will prove a better guarantee of its merits than a lengthy advertisement.
Scrofula, or King's Evil, White Swellings, Ulcers, Erysipelas, Swelled Neck, Goitre, Scrofulous Inflammations, Indolent Inflammations, Mercurial Affections, Old Sores, Eruptions of the Skin, Sore Eyes, etc. In these, as in all other constitutional Diseases, WALKER'S VINEGAR BITTERS have shown their great curative powers in the most obstinate and intractable cases.
For Inflammatory and Chronic Rheumatism, Gout, Bilious, Remittent and Intermittent Fevers, Diseases of the Blood, Liver, Kidneys and Bladder, these Bitters have no equal. Such Diseases are caused by Vitiated Blood.
Mechanical Diseases.—Persons engaged in Paints and Minerals, such as Plumbers, Type-setters, Gold-beaters, and Miners, as they advance in life, are subject to paralysis of the Bowels. To guard against this, take a dose of WALKER'S VINEGAR BITTERS occasionally.
For Skin Diseases, Eruptions, Tetter, Salt-Rheum, Blotches, Spots, Pimples, Pustules, Boils, Carbuncles, Ring-worms, Scald-head, Sore Eyes, Erysipelas, Itch, Scurfs, Discolorations of the Skin, Humors and Diseases of the Skin of whatever name or nature, are literally dug up and carried out of the system in a short time by the use of these Bitters.
Pin, Tape, and other Worms, lurking in the system of so many thousands, are effectually destroyed and removed. No system of medicine, no vermifuges, no anthelmintics will free the system from worms like these Bitters.
For Female Complaints, in young or old, married or single, at the dawn of womanhood, or the turn of life, these Tonic Bitters display so decided an influence that improvement is soon perceptible.
Cleanse the Vitiated Blood whenever you find its impurities bursting through the skin in Pimples, Eruptions, or Sores; cleanse it when you find it obstructed and sluggish in the veins; cleanse it when it is foul; your feelings will tell you when. Keep the blood pure, and the health of the system will follow.
