The Maritime Province Troops
Now Divided Into 2 Regiments for Better Administration

Palace was a Ne

Ottawa, March 20—The details of the Organization of infantry reserves of the Canadian expeditionary force in England have now been completed and a statement issued by Sir Edward Kemp shows how these infantry reserves have been formed into territorial reserve battalions and regiments connected with linked battalions at the front and with recruiting areas in Canada.

The establishment

front and with recruiting areas in Canada.

The establishment of each of these in fantry reserve battations is not limited to the usual number, but such reserve battations will take care of all drafts sent forward from the areas of the military districts in Canada which they respectively represent.

It is intended that these reasonant is intended that the service is intended that these reasonant is intended that the service is intended that the

in Canada which they respectively represent.

It is intended that these reserve battalions and linked oversupply reinforcements to certain specified overseas battalions with which they are linked, and that such reserve battalions should in turn be reinforced from Canada by drafts coming from the same part of invescense in a simple to divorce tentral coming from the same part of invescense in a simple to divorce tentral coming from the same part of invescense in a simple to divorce the later of the later coming from the same part of invescense in a simple to divorce tentral coming from the same part of invescense in a simple to divorce the later of the later coming from the same part of invescense in a simple to divorce the later coming from the same part of invescense in a simple to divorce the later coming from the same part of invescense in the pitful role of Stumer in its efforts to draw Russia toward a separate peace was known as the properties of the later coming from the same part of the later coming from the same part of the later coming from the same part of the pitful role of Stumer in its efforts to draw Russia toward a separate peace was known as the properties of the later coming from the same part of the later coming from the same part of the same part of the later coming from the same part of the

as they recruited also that province, but the 25th from Nova Scotia only.

The New Brunswick regiment will be composed of the 13th reserve battalion and the 218th and 104th overseas battalions, the former having been recruited in New Brunswick only, and the latter in New Brunswick and Price Edward Island. These regiments will have a regiment aldepot in England for the care of the personnel and records and for other administrative purposes.

Spies. His nearest triend was commander of the Austria spy organization. Our military second and the former having been recruited in New Brunswick only, and the latter in New Brunswick and Price Edward Island. These regiments will have a regimental depot in England for the care of the personnel and records and for other administrative purposes. tive purposes

forced from Canada by drafts coming from the same part of Canada.

Also to further ensure the territorial association between Canada and the linked overseas battallons being maintained and for facility of administration in the handling of personnel and documents, the regimental system has been adopted to the extent of grouping together into one regiment the reserve battallons are supplying dark forces, did not hing to hind:

reserve battalions are supplying dark torces, did not hing to hind-reserve battalions are supplying reinforcements.

The troops from the maritime provinces are divided into two regiments, the Nova Scotia regiment and the New Brunswick regiment.

Refused England's Offer We know from the letter of General Gonelhoff, Minister of War, to General Alexteff, that Starmer and Belaieff refused England's Company of the New Brunswick regiment. reinforcements.

The troops from the maritime provinces are divided into two regiments, the Nova Scotia regiment and the New Brunswick regiment.

The Nova Scotia regiment will be composed of the 17th and 26th reserve battalions, the 85th, 185th and 25th overseas battalions and the Royal Canadian regiment.

The latter however, may get recruits from all over Canada, and the 85th and 185th may also get drafts from New Brunswick as they recruited also that province, but the 25th from Nova Scotia only.

he may organize other dark forces for the the establishment of the Romanoff's "
