MINER FROZEN TO DEATH.

Vancouver, B. C., Jan. 16.—News reached here to-day from Nelson, of the sufferings of three miners and death of a fourth from exposure in the mountains 50 miles west of Nelson.

On Jan. 4th, J. P. Stevens, W. G. Thomas, S. Rockaway and M. Wall started across the mountains to a claim. Before night they became lost in drifts of soft snow, on the mountain top. They missed their way and spent three days in the extreme cold and biting wind of the worst blizzard on record in that section. On the fourth day Stevens and Thomas managed to reach a camp and at once sent back for Rockaway, who had been left exhausted on the trail. He was found frozen to death.

MRS. STERNAMAN AGAIN.

Albany, Jan. 17.—Seward A. Simons and Wallace Thayer, of Buffalo, this afternoon argued before the Court of Appeals in the action of Olive Sternaman, first convicted and then acquitted of a charge of murdering her husband, against the Metropolitan Life Insurance Company to recover insurance on her husband's life.

In the beginning of the action Mr. Simons, who appears for the insurance company, set up the defence of murder, but when Mrs. Sternaman was acquitted the defence was changed to breach of warranty.

The decision in this case will be important, as it will determine the liability of insurance companies for the action of their agents.

It will be remembered that Mrs. Sternaman was tried at Cayuga, on the charge of poisoning her husband and was found guilty, but securing a second trial, was acquitted.

## BATES AGAIN

Ridgetown Boy Made a Straight Score in the Grand Canadian Handicap.

Harold D. Bates, the young Ridgetownian, who three years ago won the Grand Canadian Handicap in this city, again performed the trick at Hamilton yesterday. Bates was also the winner of the Grand National, representing the championship of the United States, in 1900. In yesterday's event, he was the only man, out of a field of fifty-one, to make a straight score of 20 birds. He shot from the high limit, 32 yards, only one other man, Fanning, of New York, being so far back from the traps. Arthur Bates, brother of the champion, killed 16 birds in this event.

The Ridgetown shooters made the following scores in the other events: Ten live birds, Scane 10, Bates 8. Twenty targets, Bates 20, Scane 18. Twenty targets, Scane 17.

Twenty targets, Bates 14. Twenty targets, Bates 10, Scane 15. Twenty targets, Bates 17. Fifteen targets, Bates 13, Scane 11. Ten targets, Bates 9.

Twenty targets, Bates 20.
