GRAND FALLS

OF THE
UPPER SAINT JOHN

FOR
SPORTSMAN AND TOURIST

THIS Book just published at the "Reporter" office will be found useful not only to those to whom it is especially dedicated, but to all persons who are not acquainted with the Upper St. John, and who are interested in the features of scenery and progress of that interesting country. The Book, whilst the haste in which it was prepared will have operated against its perfection, will be found tolerably accurate, in scenic description especially, when it is considered that many of the places to which the author has devoted his most graphic pen, which he has clothed in waving verdure and coarsed by merry laughing rivulets, were inspected in mid-winter, when two feet of snow covered the ground, and when the smooth-voiced waters were bound in fetters of ice.

The book will be for sale at all Book-stores at
15 Cents a Copy.

Wholesale rates can be ascertained at "Reporter" office, F'ron, June 26. "SMALL PICA."

CONSUMPTION

CAN BE CURED

IS A FACT ATTESTED BY THE HIGHEST MEDICAL AUTHORITIES IN THE WORLD.

A careful observance of the laws of health, and the systematic and persistent use of Scott's Emulsion of Cod Liver Oil with Hypophosphites of Lime and Soda will accomplish this result. This preparation has all the virtues of these two most valuable specifics, in a form perfectly palatable, and acceptable to the most delicate stomach, and we make the unqualified statement that Scott's Emulsion is being used with better results than any other preparation prescribed by more physicians for Consumption—and the diseases leading to it, viz., Chronic Coughs, Bronchitis, Scrophulous Anaemia, General Debility and the Wasting Disorders of Children, than any other remedy known to medical science. The rapidity with which patients improve on this food medicine diet, is truly marvellous.

See What Physicians and the People Say About It.

Messrs. Scott & Bowne: 66 West Thirty-ninth Street, New York, September 2, 1876. GENTS—I have frequently prescribed Scott's Emulsion of Cod Liver Oil with Hypophosphites during the past year, and regard it as a valuable preparation in scrophulous and other wasting diseases, and efficacious.
C. C. LOCKWOOD, M. D.

Messrs. Scott & Bowne:—Gentlemen,—Within the last year I have used in my own family, and in my private practice prescribed very extensively Scott's Emulsion of Cod Liver Oil with Hypophosphites and found it a most valuable preparation, especially in diseases of children. It is agreeable to the most delicate stomach; which renders it a very reliable agent as a nutritive remedy in consumptive and scrophulous cases.
Oct. 12, 1879. Yours respectfully,
A. H. SAXTON, M. D., Baltimore.

Messrs. Scott & Bowne:—Gentlemen,—Within the last two months I have fairly tried Scott's Emulsion of Cod Liver Oil with Hypophosphites, and I cordially declare that it is the finest preparation of the kind that has ever been brought to my notice; in affections of the lungs and other wasting diseases, we can consider it our most reliable agent, in a perfectly agreeable and elegant form.
December 10th, 1879. As truly,
J. SIMONAUD, M. D., New Orleans, La.

Messrs. Scott & Bowne:—Gentlemen,—In September, 1877, my health began to fail and my physician pronounced it spinal trouble; what he said I saw in my face, and I was in great pain, but my general health did not improve, and early in the winter I lay in bed and my days grew worse. In May last I was taken with a violent bleeding, which brought me to my bed and my life was despaired of for many weeks; violent symptoms appeared, night and morning coughs, night sweats and short breath, and a return of the spinal trouble. My physician stopped the bleeding and then ordered Cod Liver Oil and Lime; and I used various preparations, but they did me no good. I had all hope of life and was an object of pity to all my friends. Last September I purchased a bottle of your Emulsion and I was called subject I was better. I afterwards bought a dozen bottles, with the following results: Coughs subsided, night sweats stopped, appetite returned, pain in spine disappeared, strength returning, and my weight increased from 115 to 140 pounds in sixteen weeks. I have taken no other medicine since commencing with your Emulsion and shall continue its use until I am perfectly well. I frequently meet some friend on the street who asks, "What cured you?" and I answer, "Scott's Emulsion of Cod Liver Oil, etc." I have a friend who has got spinal disease, and says "I feel it food and medicine for him. He was given up to die a year ago; but he is improving now wonderfully. My recovery is exciting the surprise of many people, and I shall do all I can to make known your valuable medicine.
January 20th, 1879. Very truly yours
H. F. SLOCUM, Lowell, Mass.

Messrs. Scott & Bowne:—About the 10th of last April I got a bottle of your Emulsion and at that time I was so prostrated that no one who saw me thought I could live longer than a few weeks at most. I could retain nothing on my stomach and was literally starving. I commenced the use of the Emulsion in small doses it was the first thing that would stay on my stomach; I continued its use, gradually increasing the dose, and before long I commenced mending, and now am able to ride and walk, and am gaining flesh and strength rapidly. I have advised other parties to try it, and some two or three have already tried it. I am sure I shall entirely recover.
I am gratefully yours,
R. W. HAMILTON, M. D.
