NATION IN HIS DEBT

DR. WILLIAM SAUNDERS HAS DONE MUCH FOR CANADA.

Director of Experimental Farms Has Spent the Last Twenty-Three Years Laboring Untiringly for the Prosperity of the Farmers of the Dominion—Many Fruits and Grains Have Been Imported.

Canada's system of experimental farms is one of the most interesting and perhaps the most original feature of the Dominion Government. To the experimental farm, without doubt, more than to any other factor, is due the splendid development of the northwest Dominion to-day.

CHURCH ADVERTISING.

What Some Ministers Do to Deceit People to Worship.

A good deal has been heard lately respecting cheap marriages and the clerical competition for fees. In several parts of London, England, more than one church has placed "matrimonial advertisements" on its walls.

At Bernonsey, some time ago, a poster was issued by a clergyman which read thus: "Are you going to be married? Then we invite you to favor your own beautiful church of St. Crispin. It is to your advantage to come."

A most remarkable scheme for deceiving a church, was conceived and carried through by one clergyman. This gentleman had advertisements in several newspapers which invited wealthy men to contribute to a church. The result was that huge crowds gathered outside the place of worship, and a score of police had to be engaged to keep order.

A Toronto discovery! An advertisement for a simple form of medicine was determined to have a new one each year. As its own value was not known, it was sold at a low price. The result was that the medicine was sold in large quantities, and the manufacturer was able to make a profit.

A SOLDIER-DRAMATIST

LATE CAPTAIN ROBT. MARSHALL WAS GENTLEMAN RANKER.

He Tried to Be a Lawyer, But It Proved Irksome and He Enlisted—Dramatic Writing Took Most of His Attention, and in 1898 He Produced "His Excellency the Governor," Which Made Him Famous.

A notable career is brought to an untimely close by the death, at the early age of 47, of Captain Robert Marshall, which occurred at a London West end nursing home. For some years Captain Marshall's health has been the subject of considerable anxiety to his friends.

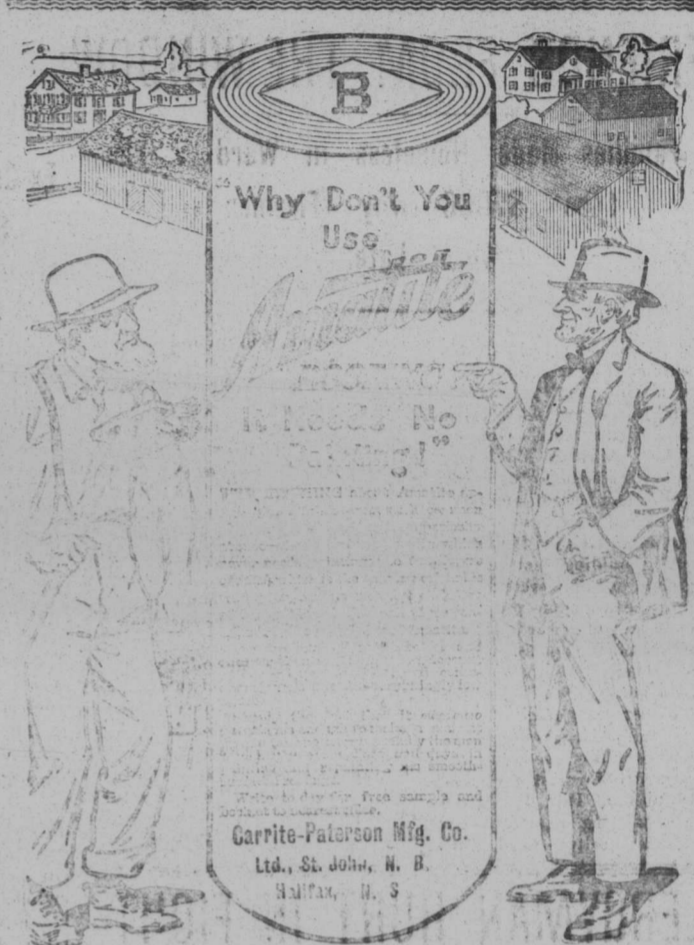

CAPTAIN ROBERT MARSHALL.

Robert Marshall was born in the Highland House, London. He was a member of the 1st Buffs, and served in the Indian Army for some years in the West Indies. By this time he had fallen a victim to the passion of dramatic writing.

It May Be Pneumonia

"A hard chill, pain through the chest, difficult breathing. Then fever, with great prostration." If this should be your experience, send for your doctor. You may give Ayer's Cherry Pectoral. When he comes, tell him exactly what you have done. Then do as he says. No alcohol in this cough medicine. J.C. Ayer Co., Lowell, Mass.

Keep the bowels in good condition. One of Ayer's Pills at bedtime will cause an increased flow of bile, and produce a gentle laxative effect the day following.

Why Don't You Use Ayer's Cherry Pectoral?

Remedies are Needed

Were we perfect, which we are not, medicines would not be needed. But since our systems have become weakened, languid and broken down through various causes, remedies are needed to restore them to their normal state.
