Fat is absolutely necessary as an article of diet. If it is not of the right kind it may not be digested. Then the body will not get enough of it. In this event there is fat-starvation.

Scott's Emulsion supplies this needed fat, of the right kind, in the right quantity, and in the form already partly digested.

As a result all the organs and tissues take on activity. SCOTT & BOWNE, Chemists, Toronto

"HOW SHALL THIS BE DONE?"

Heaven's balance was all trembling when it eyed " How ?"

For once, this once, Heaven hoped to be Nor hoped in vain. To be no earthly
