OFFICIAL.
LONDON, June 25.
The Governor, Newfoundland:
The French Government report
comparative calm along the whole
front, captured positions being or-
ganized. About 700 prisoners have
been taken in the Ficht region since
the 14th.
The Russian Government report
the attempted German advance in the
direction of Seurawno and Lemberg
checked. Also desperate fighting on
the Dnieper, the enemy suffering
enormous losses. On the left bank of
the Dnieper, the Austrians were re-
pulsed, losing about 1,750 prisoners.
The Italian report is satisfactory.

FRENCH OFFICIAL.
PARIS, June 25.
In Lorraine the enemy yesterday
on two different occasions endeavored
to retake positions he had lost near
Leintrey, but was completely repul-
sed. In the Vosges two German in-
fantry attacks were checked by our
artillery and infantry fire. They
were delivered against our trenches
at Reichskerkopf after a violent ar-
tillery bombardment. German avi-
ators yesterday threw five bombs on
the Sanitarium at Zyducoote, but
without doing any real damage.

ITALIAN PROGRESS.
UDINE, Italy, June 25.
Slowly, owing to the difficulties of
mountain warfare, but steadily and
with grim determination, Italian for-
ces are advancing both from the east
along the Pella Valley, and from the
south through the Predil Pass to-
wards Tarvis, which is the pivot of
the classical roads along which every
great invasion of Austria from
Italy has occurred. From Javarek,
which is about five thousand feet
high, heavy artillery of the Italians
has been sweeping the valley below,
as far as Plezzo which lies four miles
away in a direct line. Big guns also
dominate the whole valley of the up-
per Isonzo River and threaten Pre-
dil fort.

SUBMARINE OFFICER HONORED.
LONDON, June 25.
It is officially announced to-day
that the Victoria Cross has been
awarded to Lieut. Commander Nas-
mith, for taking a submarine into the
Sea of Marmara and sinking various
Turkish transports and a gun boat.
Two officers of the submarine were
awarded the Distinguished Service
Cross each, and the crew received
Distinguished Service Medals.

MAIL FOR NEUTRALS.
WASHINGTON, June 25.
No protest will be made by the
States against the German subma-
rine mails passing through Euro-
pean belligerents' territory for neu-
trals. Since belligerents are per-
mitted to censor cable messages in
sit through their territory, officials
here take the position that letters
would seem to be subject to the same
risks. Postmaster General Darling-
ton has ordered that the mail to neutrals
be sent by ships which do not touch
at the ports of the belligerents.

SALVAGING THE TUNISIAN.
LONDON, June 25.
Arrangements were made to-day
for salvaging the steamer Tunisian,
which was torpedoed off Lowestoft on
Wednesday last by a German subma-
rine. After being hit, the Tunisian
was beached nearby and the crew
landed.

MEXICO AND UNITED STATES.
WASHINGTON, June 25.
The Foreign Chancelleries interest-
ed in the Mexican situation have been
given to understand that President
Wilson is determined on some action
in a line with his recent statement
as to Mexican affairs, after he re-
turns from the summer White House
at Cornish, New Hampshire, the first
week in July.

NEW WAR LOAN.
LONDON, June 25.
The sum of \$750,000,000 in rough
numbers, of the new war loan, has
been applied for by the London banks
alone up to noon to-day, according to
a statement published in the Evening
Standard. Very large applications
or in other words requests for mil-
lions, is being held back until next
week. The present flow of subscrip-
tions is mostly for small or moderate
amounts.

LONDON REVIEW.
LONDON, June 25.
Along the most crucial sector of
the Dnieper battle front in Galicia,
between Zurawno and Halicz, heavy
fighting is going on, and there is some
conflict over the situation, according
to official reports. The Russians

If Head Aches And Your Ears Buzz You Surely Have Catarrh

It doesn't matter how long you have
suffered, or how often you have failed
to get relief—even though Catarrh
may affect every organ in your body,
you can be permanently cured by in-
haling the soothing vapor of Catarrh-
ozone.
A few breaths through Catarrh-
ozone inhaler clears the phlegm out of
the throat and stops your cough. The nos-
trils are cleansed of offensive mucous
discharge, and sneezing and sniffling
stop at once. Partial loss of hearing
and headache (very common symp-
toms of catarrh) are quickly cured,
and in a short time every trace of ca-
tarrh disappears.
Nothing can be simpler or more

appreciation of his services to the
country and party.

STEAMER CAPSIZED.
HALIFAX, To-Day.
The Dominion Coal Co.'s steamer
Cabot, commanded by Capt. Linthop,
and bound from Charlottetown, P. E.
I., for Sydney, turned over at 11 o'clock
on Thursday night off Prince
Edward coast and went to the bot-
tom. All the hands were saved. Her
water ballast tank burst at 10 o'clock.
In an hour she was on her port beam
ends and sank. The captain and crew
took to two boats and after twelve
hours they were picked up and land-
ed at Hastings.

JUST TOLD OF VENIZELOS VIC-
TORY.

LONDON, To-Day.
The Athens correspondent of the
Exchange Telegraph Company says
King Constantine of Greece, who has
been seriously ill for some time, is
improved so greatly in health that he
has been informed of the victory of
Eleutherios Venizelos, former Premier,
at the recent national elections.
King expressed a keen desire to leave
his sick bed before Parliament con-
venes. His physicians are said to be
hopeful that he may not do so.

WILL RECEIVE FOREIGN APPLI-
CATIONS.
LONDON, To-Day.
It is officially announced that the
Bank of England is prepared to re-
ceive applications for the new war
loan from abroad. It is stipulated that
telegraphic advice from foreign appli-
cants must be received by the Bank.

claim they have punished the Austro-
German forces there, and that by
rushing up reinforcements, they have
compelled them to retreat across the
river. Berlin admits this reverse, but
the Austrian communication says the
Teutonic attack there is making pro-
gress. North of this area and still
further north, over the frontier of Po-
land, the Austro-German advance is
sweeping forward. Whatever the
outcome of the struggle along the
Dnieper, the Russian armies have
gained such a reverse that the be-
lief of military experts, from the
standpoint of the Allies is that the
Western theatre, seems the only
quarter which holds the possibility of
a decisive action during the summer.

The French and German claims re-
lative to the fighting on the Western
front are widely at variance. Mil-
itary observers believe that the
French still have their eyes on Lille
with its factories and railroad lines,
and advance the theory recurrent by
the persistent attacks week in and
week out along virtually the same
section of the German front, proves
this.

Though meeting with the hardest
resistance on the Dnieper, the initia-
tive in the East still rests with the
Austro-Germans. Few military writ-
ers can hazard a guess at what their
next move will be. It is argued that
the situation in the west may at any
moment become pressing. Germany
and Austria may be forced to be con-
tent with having recovered Galicia
and broken the Russian offensive
without seeking further to humiliate
her this time.

TURKS WITHDRAWING.
A despatch from Rome states that
the Turks have evacuated Adrianople
and withdrawn to Chatalja lines. In
view of the fact that previous de-
spatches from the east had told of
the Turks strengthening Adrianople,
the foregoing must be accepted with
reserve.

CYCLONE DEVASTATES TOWN.
REDCLIFFE, To-Day.
Damage estimated at half a million
was done here early last evening by
a cyclone which wrecked a large
part of the town. Two lives were
lost and ten injured. The cyclone
seemed to strike the whole town, and
in all directions buildings were blown
down, roofs lifted, telephone poles
blown over, and when the great wind
subsided the town was almost totally
wrecked.

the Morning Post says German news-
papers have been ordered by the gov-
ernment to abstain from discussion of
any plans for the eventual annexation
of Belgium by Germany.

"OUR TURN WILL COME."

LONDON, To-Day.
In Flanders we have made provisions
for defence, however great the
attack. Our numbers there are ade-
quate for any task. Our turn will
come, spoke Walter Riedman, Presi-
dent of the Board of Trade, in an
address at West Hartlepool. We are
learning now, Runciman added, how
to deal with the submarine menace.
It is truer now than when the state-
ment was made in April that we have
enough explosives for our own use.
We are also overcoming our shortage
in munitions.

plosion in a large ammunition depot,
and also resulted in the killing of 50
German soldiers, who were loading
an ammunition train.

ROUMANIA AT WAR WITHIN A
WEEK.
NEW YORK, To-Day.
A special to the American from
Rome, says the Balkans are about to
meet with such reverses that the Eu-
ropean conflict, according to infor-
mation of the most trustworthy sort
received here to-day in diplomatic
circles. Within a week, it is declared,
Roumania will be at war. Her first
act will be an attack upon the rear
flank of the Austro-Germans in Ga-
licia. Roumania will make as an ex-
cuse for entering the conflict the de-
mand for cession of Transylvania,
which will unquestionably be refused
by Austria-Hungary. It is declared
here that the Roumanian envoy at
Vienna has already been instructed
to demand the cession of Transylva-
nia, the consequence of the refusal of
this will be then placed upon the
Austrians. According to reports Rou-
mania is already preparing for war.
The wheat harvest has been har-
vested. People are eager to get into action.
Following closely on Roumania, Bul-
garia and Greece are expected to en-
ter the arena. Greece intervention is
being delayed only by the illness of
the King.

THAT PAPAL INTERVIEW.
ROME, To-Day.
According to reports in diplomatic
circles, Sir Henry Howard, British
Envoy to the Vatican, has notified the
Holy See that Great Britain will not

follow the Pope's initiative in future
for the exchange of war prisoners or
for other proposals in connection with
the war, unless firmly assured that
the Pope's attitude is not influenced
by Austria. Cardinal Gaspari, Abbot
of Benedictines, has been received in
audience by the Pope. An English
Cardinal protested against the inter-
view with the Pope published in the
Paris Liberte, and urged retraction.
The Envoy of Allies also urged the
Pope to retract the interview. It is
considered likely that the Pope will
issue encyclical deploring the meth-
ods of war employed by the Germans.

ROME, To-Day.
Montenegrin troops, it is reported,

Emperor in Rage

AT DEMANDS TO CEDE TERRI-
TORY.
Paris, June 21.—The news reaches
Paris from Vienna that Emperor Fran-
cis Joseph is again being implored
by Count Andrássy and German diplo-
mats to give up territory to the
threatening neutrals without making
them fight for it.

The aged Emperor is backed by the
military party, after his refusal to
satisfy the Italian claims, and they are
now stiffening his back to in-
sistent appeals to give Bukovina to
Roumania and accord Home Rule to
Transylvania.

Count Andrássy called at the Scho-
nbrunn castle last week and, it is said,
fell upon his knees and implored the
Emperor to give up Bukovina to save
Hungary from a Roumanian inva-
sion.

Emperor Francis Joseph burst into
a rage and cried:
"No one shall decree to me to dis-
member my empire without a blow.
I defied Italy, and I will defy Rou-
mania if necessary. Let events take
their course, let the fortunes of arms
decide this and every other question
affecting Austria's honor. No one
shall say that Francis Joseph ever
cravenly yielded to the rapacity of
covetous neighbors in Austria's hour
of trial."

Foundation of
Cunard's Fame.

The Cunard line has always been a
favorite. Probably there are few
people who know of one of the sound-
est grounds for that feeling. In the
Crimean War, when we were in the
ridiculous position of having to face
the possibility of refusing reinforce-
ments from France on the ground that
we could not find transports, Clarendon
took Graham aside at a Cabinet
meeting and begged him to sound the
mercantile marine. At the next meet-
ing—Graham was able to report that
Mr. Cunard had guaranteed transports
for 8,000 men at once, and had re-
fused to discuss terms, saying that
these could be settled by arbitration
after the war. "What is Mr. Cunard's
Christian name?" asked Palmerston.
"Samuel," said Graham. "Sir Sam-
uel," said Palmerston, and kept the
implied promise when he became Pre-
mier.

War Gleanings.

CANADA'S PROPORTION.
At times we are tempted to boast of
the part Canada is playing in the con-
flict, and of the number of men we
have sent to the front. The Ottawa
Journal, in commenting on this,
says: "Great Britain is training one man
out of every fourteen of her popula-
tion, but Canada is training one man
out of every fifty-three of her." We
certainly have nothing to boast about.
—Journal of Commerce.

CORRESPONDENTS MUST QUIT.
Geneva, via Paris, June 21.—News-
paper correspondents who have been
sending from Chiasso stories con-
cerning the developments of the
Italian campaign have been requested
to leave the frontier, the Italian Gov-
ernment believing that they were so
situated as to be in a position to send
out news despatches to foreign coun-
tries which would give valuable in-
formation to the Austrians. The ma-
jority of these correspondents have
now gone to Zurich.

"ONE OF H.M.S." SANK HUN SUB-
MARINE.

London, June 21.—The official
statement made public by the
British Government yesterday that
the German submarine U-29, com-
manded by Capt. Otto Weddigen,
which was destroyed two months
ago, was sunk by "one of His Majes-
ty's ships." This belated announce-
ment apparently was issued at this
time to dispose of the report current
in Germany, that the U-29 was ram-
med by a British tank steamer, flying
the Swedish flag.

grounds when they will be formed up
in the above mentioned order, with
the C.C.C. drum and bugles company
leading, followed by the C.C.C. Bat-
talion and band.

Church Action.

National Prohibition was the sub-
ject of spirited discussion and radi-
cal action in the General Assembly of
the Presbyterian Church, at its an-
nual meeting last month in Roches-
ter, N. Y. Among the resolutions
offered by the standing committee on
temperance and adopted by the As-
sembly was this: "That we favor
legislation making the vendors of al-
coholic beverages, their bondsmen and
the owners of property rented for
such purposes, jointly and severally,
responsible for damages resulting
from the intoxication of those to
whom such beverages are sold." The
Ohio Synod presented an overture,
which was approved by the Assembly,
giving power to excommunicate pas-
tors or elders who "by any secret
or overt act give aid to the liquor in-
terests."

The United Presbyterian Church of
North America at its General As-
sembly, in Loveland, Colo., passed a
resolution petitioning Congress to en-
act a constitutional amendment pro-
hibiting the manufacture, sale, im-
portation and exportation of intoxi-
cating liquors.
Resolutions urging national pro-
hibition were adopted by the Northern
Baptists convention, meeting in Los
Angeles. The belief was expressed
that the liquor traffic would be driv-
en out of the country within the next
four years.

The Unitarian Temperance Society
has gone on record as favoring na-
tional prohibition.

John Barleycorn and Twentieth Cen-
tury Transportation.
They had a Transportation Parade the
other day at the San Francisco
Exposition. It showed the develop-
ment of transportation facilities from
Adam's time to the present. In the
railroad section a "water wagon"
evoked continued demonstrations of
approval from the spectators. Quoted
upon it was "Rule 6" and the in-
vitation "Climb On."

"Because two fingers of red liquor
can turn a ten-million dollar bar-
rel-signal into a ten-million dollar
waste of money, Rule 6 was framed,"
said Rufus Steele in "Keeping John
Barleycorn off the Tracks." This rule,
worded by the American Railroad As-
sociation and in force in every rail-
road in the country, reads as fol-
lows: "The use of intoxicants by the
employees while on duty is prohib-
ited. Their use, or the frequenting of
places where they are sold, is suffi-
cient cause for dismissal."
