Boy Scouts Association

DOMINION COUNCIL.

The final meeting for the organi-
zation of a Dominion Council for the
supervision of the work of the Boy
Scouts in Newfoundland was held at
Government House on Tuesday after-
noon of this week. This meeting
completed the work of two previous
meetings held earlier in the winter
for the same purpose. There were
present:—Rev. Dr. Flynn, represent-
ing the Archbishop of St. John's; His
Lordship, the Bishop of Newfound-
land; Rev. L. Curtis; Rev. E. W.
Forbes; Dr. W. W. Blackall; Dr. V. P.
Burke; Commander F. M. Kerr; Mr.
W. H. Peters, General Treasurer; Mr.
James Murdock, Assistant Commis-
sioner; Mr. J. J. O'Grady, District
Commissioner; Mr. C. P. Ayre; Hon.
Tasker Cook, M. L. C., and Mr. R. S.
Furlong, General Secretary.

H. E. the Governor, Chief Scout and
President of the Council occupied the
Chair. The following gentlemen were
co-opted to membership in the Coun-
cil:—The Archbishop of St. John's;
The Lord Bishop of Newfoundland;
President of the Methodist Confer-
ence; Rev. B. T. Holden, Pastor of the
Congregational Church; Dr. W. W.
Blackall; Dr. L. Curtis; Dr. V. P.
Burke; Mr. W. H. Peters; Commad-
er F. M. Kerr; Mr. C. P. Ayre; Hon.
Tasker Cook; Mr. Harold Macpherson.
The following officers were elected:—
Vice-President Dr. W. W. Blackall;
Treasurer, Mr. W. H. Peters; Secre-
tary, Mr. R. S. Furlong; Executive
Committee:—H. E. the Governor,
President of the Council; Dr. W. W.
Blackall; Mr. W. H. Peters; Mr. R. S.
Furlong; Rev. E. W. Forbes, Chief
Commissioner; Mr. James Murdock,
Assistant Commissioner, and Dr. V. P.
Burke. Three other places on the
Executive will be filled at a later
date.

A formal vote of thanks was extend-
ed to the following gentlemen for their
work on behalf of the movement in
the country:—Drs. Blackall, Curtis,
and Burke; Mr. James Murdock; Rev.
E. W. Forbes; the late Lieut. Commad-
er Fenn, R. N., and Commander
Kerr, R. N., O. B. E. The Treasurer
in consultation with the officers was
authorized to prepare a budget to be
presented at the next meeting of the
Executive Committee. A Committee
was appointed to confer with the pub-
lishers of the "Fleur-de-Lis," regard-
ing its adoption as the official organ
of the Council.

With regard to the districts over
which Local Associations shall have
jurisdiction it was agreed that they
be defined for the present only pro-
visionally and finally determined with
the concurrence of the District Com-
missioners affected. Local Associations
are now organized in the following
places:—Bay Roberts; District Com-
missioner, Mr. C. E. Russell, Harbour
Grace, Grand Falls. At the close of
the meeting the following motion was
carried unanimously:—"That this Coun-
cil record its high appreciation of the
services rendered the Association in
Newfoundland by the present Chief
Scout, H. E. the Governor. "The Gov-
ernor, in thanking the Council for
such expression of its appreciation
also wished to have placed on record
his recognition of the valuable work
in former years by Mr. James Mur-
dock, who was the pioneer of all
the movement.

The meeting was united in its con-
victions as to the value of scouting
for the training of the boys of the com-
munity. The greatest harmony and
enthusiasm prevailed throughout, and
such a gathering augurs well for the
future of the Boy Scout Movement in
Newfoundland. Following is the sta-
tus of the work throughout the coun-
try at present:—St. John's, 3 scout
troops; Gower St., St. Bon's and Con-
troops; Gower St., St. Bon's and Con-
troops. There are also Troops at Har-
bour Grace, Bay Roberts, Grand Falls,
Smith's Sound (Trinity Bay), Spring-
dale and Joe Batt's Arm. The gen-
eral direction of the work is in the
hands of the Dominion Council who
authorize the appointment of all
Scoutmasters and other responsible
officers. Forms for the purposes of
any organization are furnished to any
person desiring to organize a troop,
and complying with conditions on ap-
plication to the organizing secretary,
Mr. James Murdock, St. John's. The
supervision of local troops is in the
hands of local associations appointed
in the territory in which these
troops are located.

Piles

are usually due to straining
when constipated.

Nujol being a lubricant keeps
the food waste soft and there-
fore prevents straining. Doctors
prescribe Nujol because it not
only cures the suffering of
piles but relieves the irritation,
keeps comfort and helps to re-
move them.

Nujol is a lubricant—not a
medicine or laxative—so cannot
gripe. Try it today.

THE CAREFUL WIFE.

WALT MATON

How doubly for-
tunate the man
whose wife on
thrifty plans is
set! She guards
his roll and ties
the can to every
scheme. A hint
of debt. The
country's full of
men who carry
home the chick-
en-feed, and fail
to blow in every
year for silly
things they do not need. Too often
wives encourage me to throw their
kopecks to the crows; such females
swarm, but now and then we see the
other kind of frons. When Hiram
brings his weekly pay, he says, "Ma-
tilda Judith Jane, let's go and blow
ourselves to-day; this saving graft
gives me a pain. Oh, here be bucks
that bravely shine, and here be bones
that glow like tin; they are too fair
to put in brine, so come with me and
blow them in. We'll buy a silver,
new and nice, and all that to your
heart appeals, and if I cannot pay the
price, my stand-off's good for many
wheels." Then says the wife of Spar-
tan mold, "J. Hiram Jinks, hand me
your pay! I think I see you wasting
gold that we will need when we are
gray! Here is a nickel you may
spend, take it along and paint the
town, but let your foolish twaddle
end—your wages will be salted down.
And when we both are old and bald,
we'll have our little bunch of kale,
and neighbors will not see us hauled
to yonder poorhouse in the yale."

A Good Old World.

A GOOD OLD WORLD.
It's a fine old world when the sun is
high.
A fine old world with a summer sky.
It's a good old world when the roses
bloom.
And the breeze is sweet with a faint
perfume.
With health in the house and joy out-
side.
We all forget that we've ever tried.
But let it rain on our picnic day
And our mouths droop down in a dis-
mal way.
Let trouble come for a little while
And we lose our pluck and we lose our
smile.
We are blind to beauty and deaf to
song.
And we sit and sigh that the world's
all wrong.

It's a fine old world when our hearts
are light.
It's a good old world when our days
are bright.
But we're quick to frown when the
skies are gray
And we're little folk for the darkened
way.
We are all too weak when we should
be strong.
And we sit and sigh that the world's
all wrong.
There's never a door that care goes by
There's never a heart but must some
time sigh.
The rain must fall and the winds must
blow.
And pleasures fade at the touch of
woo.
And in spite of the way that our hopes
are swindled,
We must keep our faith in this good
old world.

The three-piece "monogram dress"
is made of heavy crepe de chine and
has the wearer's monogram hand-
brothered on the pocket.
