prices did not advance as quickly after the opening as some expected. The unundertone is good and the market during the first hour was firm, the easier tone developing only at the beginning of the second hour. The market is now off a fraction from the highest prices but a fraction from the highest prices, but there seems to be no chance of a break. The outlook for the afternoon is one of strength. Southern Pacific and Union Pacific have been fairly active and strong Metropolitan has been fairly steady. Erisold off fractionally, and St. Paul has been firm. National Lead scored a sharp advance. The Steel stocks have been strong and Pennsylvania firm. There is no news of importance. Sales to noon were 269,000 shares.
