POLICE PREPARE

Before the Coronation.

London music hails in the neighbor-hood of Leicester square. Piccadilly, and the Strand, are all under the surveillance of Scotland Yard men. Supt. Frost makes a personal visit to see that the men are on their posts trying to spot any one now in England who would be better away in June.

## Cuticura Soap and Ointment Entirely Cured Him of Itch

"I just want to say a good word for Cuticura Soap and Ointment. Four or five years ago I was in Port Arthur, and I had an attack of the itch. It certainly was an intolerable nuisance. The itching was principally at nights before I went to bed. The thighs were especially affected.

were especially affected.

"I went to two doctors about it, and tried more than one remedy. I was beginning to think the complaint was incurable, when I was telling my trouble to a barber, and he said that he would guarantee to a barber, and he said that he would guarantee to a barber, and he said that he would guarantee to a barber, and sure enough, the itch vanished. I had probably been troubled with the teth for two or three months before I tried Cuticura Soap and Cintment, and they completely cured me of that intolerable nuisance. After one warm bath with Cuticure Soap and use of the Cuticura Cintment I was never troubled with the itching again. Anything in this testimonial I would be prepared to swear to in a court of law." (Signed) J. E. Hooper, 268 Parliament Street, Toronto, Jan. 10, 1911.

# His Skin Eruption Cured in Ten Days

"The Cuticura Remedies certainly did work finely, and I am thankful that there is such a remedy, and that I tried it. About three months ago a terrible itching commenced on my body. I could not understand it. It gradually grew worse and covered a large portion of my body. There was also a slight eruption of the skin, sort of a rash. I suffered greatly with the itching and at night time I had little sleep. I tried one or two remedies which did no good, and then I tried Cuticura Scap, Cointment and Resolvent. In about ten days I was completely cured." (Signed) T. Williams, 115 Pacific Ave., Winnipeg, Jan. 14, 1911.

You Can Try Cuticura Soap and Ointment Without Cost For more than a generation, Cuticura Soap and Cuticura Ointment have afforded the speediest, surest and most economical treatment for torturing, disfiguring skin and scalp eruptions, from infancy to age. Cuticura Soap and Ointment are sold by druggiste and dealers everywhere, but in order that skin-sufferers may prove their efficacy without cost, the Potter Drug & Chem. Corp. 31 Columbus Avev. Boston, U. S. A., will send post-free to any address, a liberal sample of each, with a 32-page book on skin health. Write for a set to-day, even though you have suffered long and hopelessly and have lost faith in everything, for, as Mr. Hooper's letter shows, even the first use of Cuticura Soap and Ointment may be sufficient to give instant relief when all else has failed.

The town hall was filled with townspeople and farmers from the surrounding district, who listened with marked appreciation to the clear and able addresses of Messrs. M. S.
