Br Glectric Telegraph.

SPECIAL TO THE DAILY BRITISH COLONIST

Eastern States.

WASHINGTON, April 3.—In the Senate an amendment fixing the 10th as the day of adjournment, adepted. The House concurred in this amendment. The Senate Pacific Railroad Committee has agreed to prepare an amendment giving the President of the United States power to designate a place for the junction, and that the bonds withheld in order to carry out the provisions of the Justice of the Supreme Court and the law to render the rords first class.

Longstreet's nomination was confirmed to-day, 25 to 10 in the Senate. Most of the

to-day, 25 to 10 in the Senate. Hose of the Senate in the tory. Apprehension exists that a mistake has been made in enrolling the Tenure of has been made in enrolling the Tentile Office Bill; so much diversity of opinion exists regarding its construction that perhaps the bill will be returned to Congress for rection. An order discontinuing the partment of Cumberland is revoked, and eral Geo: Creok is assigned to the com.

mand of that department.

New York, April 3.—A Washington special says that the President has decided to sign, the Tenure of Office Bill.
J. Lathrop Motley is nominated Minister to England.

NEW YORK, April 3 .- One of the Croton water mains burst with a loud report to-day. A big opening was made in the street, through which a volume of water a foot in diameter rushed, fleeding the streets and filling cellars and basements. Heavy damage was done to the foundations of new houses, as well as to the furniture in those occupied.

NEW YORK; April 4.—President Grant has telegraphed to Admiral Hoff, enjoining upon him to see that all Americans are projected.

A Havana despatch says that the British KNOXVILLE, April 3.—The city is thronger with people to-day, on the occasion of Andrew Johnson making a public address, to which about 5,000 people listened. Johnson saked for a fair examination of his record. He said that he intended to devote the remainder of his life, as a private citizen, to the vindication of his official life and of his life. native State from the obloquy cast upon teem. He alluded to the obituaries of himself published in the papers; and said he might be regarded as one risen from the dead. He thought one coming from the grave should be believed; and said there was one great danger that the Legislative department will wipe out the Executive and Judiciary dewipe out the Executive and Judiciary department of this Government. He compared the acts of Congress to the acts of Great Britain towards the Colonies before the Revolution, and said a wise and good Printe was infinitely better than an arbitrary, despotic Congress. Noticing the accusations about his being the Moses of the blacks, he asked if it was not be who had freed the negroes of Tanassee? Freedom is only the liberty to work—not to build up a miserable lazzaroni to be supported by the Government. He never deceived either white or black men. He told his auditors that they were all slaves of the benchholders, who had never all slaves of the benchholders are slaved to committee the second the same and some the same all slaves of the benchholders are slaved.

Columbia, S. C. This is the first confirmation of a negro.

Chicago, April 6.—Among the appointments to day are Thomas Young, Marshal of the destrict of Oregon.

A Republican special says the House Committee on Foreign Affairs have agreed to report a resolution authorizing the President has notified Minister Hale and Segretary of Legation Perry, at Madrid, that their resignations will be accepted and their successors will be immediately appointed. House Naval Committee have abed a drop of blood. Would to God the Government had not credit enough to borrow a dollar to carry on war! "Thank God! my honors have not been gained through blood! Wounded seldiers cannot attribute their

Washington, April 4 .- The President, in response to a resolution sent from the House yesterday for a list of vessels captured or destroyed by the rebel cruisers, says the statement is made up of official claims filed by parties whose property was destroyed or other materials; it is deemed reliable, and the number of vessels is given with the names

the number of vessels is given with the names and value. They are nearly 300, the aggregate value being upwards of thirteen millions. The Joint Committee on retrenchment, which has been investigating the mode of printing bonds and either government securities, have made their report. The aggregate of government securities credited since 1860 amounts to over eighteen and a quarter billions of dollars. The Committee give a statement of the different issues of loans and find a glight discrease or between the number of ment of the different issues of loans and find a slight discrepancy between the number of bonds printed and issued. Nineteen Oregon was bends were supposed to have been lost in the Golden Gate steamer. They were duplicated under Act of Congress, since which some coupons of the original bonds have been presented and paid.

CHICAGO, April 5 .- The Times' special says the Government has received information that a fillibustering expedition is about to leave New Orleans for Cuba. Special in-structions have been sent to Admiral Hoff to intercept it, and all similar expeditions from

The Iribune's despatch from the chair man of the State Republica Committee says Department. Jewell and the State ticket are certainly elected non ed to to solding ralies be

CHICAGO. April 6.- Resolutions were presented in the Common Council last night to provide for a celebration in this city on the opening of the Pacific Railroad, All Governors and officers and members of the Legislatures of the Pacific States and Territories will be invited; also the Mayors, Common Conneils and distinguished citizens of San Francisco, Sacramento, and other important cities. The President, Vice President, the Cabinet, members of Congress, leading Generals, Governors of States, Supreme Court Judges, etc., will be invited to meet the guests from the Pacific and unite in celebrating the event in a manner befitting

so grand an occasion. Washington, April 6.—Chas. Wilder (colored) is confirmed as post-master for Columbia, S. C. This is the first confirma-

The President has notified Minister Hale and Secretary of Legation Perry, at Madrid, that their receignations will be accepted and their successors will be immediately appointed House Naval Committee have agreed to report a bill providing that no reduction of wages of employes of the Government havy yard be made in consequence of the reduction of the hours of labor.

the reduction of the hours of labor;

WASHINGTON, April-6.—In the House the Census Bill was taken up; Garfield explained its provisions: An amendment was adopted making the bill referring to the present census to be superceded by a bill to be reported at next session. After receiving several other amendments, the housethen went into Committee of the Whole on the Indian appropriation bill. Davis said the Committee had agreed to recommend an appropriation of two million to be placed in the hands of the President with authority to use it according to his descretion and judgment, to maintain peace and promote the civilisation of the Indians; adopted. Butler insisted that the fourteenth amendment made Indians civilized, consequently no valid treaties could be made with them.

Ramsey in the Senate presented a com-munication from the Post Master General in relation to the cheap rates of postage. Summer said there was a movement affoat in regard to securing penny postage. He favored the Government adopting a two cent

Geen postage.

The bill to aid the construction of a Branch Central Pacific Railroad to Portland, Oregon, was discussed. Sherman's amendment was modified so as to leave the President to fix the point of junction according to the legal rights of the respective roads, and

adopted—53 to 6.

Davis offered an amendment, which was adopted, directing the Attorney General to first, investigate whether the charter and franchise of the Union Pacific road and branches have not been forfeited, and if so to institute the necessary legal proceedings; second, to investigate whether the said company have made illegal dividen a on stock, and if so to execute the necessary proceedings; third, to investigate whether any of the directors or employes of said company have violated any penal law, and if so to insti-

tute the proper criminal proceedings, the Harrison, April 6th.—The Senate will be composed of 14 Republicans and 7 Democrats. The Republicans have about twenty, majority in the House.

majority in the House.

New Haven, April 6.—Complete returns give Jewell 811 majority for Governor. The Republican majority in the Legislature is 41 on a joint ballot.

New York, April 5.—The Committee o Ways and Means to day resolved to promptly examine the Custom-house warehouses and

The President to-day signed the Tenure of

Office Bill.

Among the nominations sent to-day to the

Senate was Jacob P. Clark, at Olympia Register of the Land Office.
