Breaking Up of Estates in Britain Causes Widespread Feeling of Insecurity Among Farmers

LONDON, March 16.—Lord Carring on, Minister of Agriculture, in a speed at York, has discussed the recent breaking up of estates. There was at present, he said, a widespread feeling of neasiness and insecurity among farmers, partly in consequence of the administration of the Small Holdings Act and partly as a result of the number being offered for sale by their owners. There was a "boom" in land; land was selling extraordinarily well all over ing advantage of this "boom" and were putting their estates into the market in But how was it done? Suddenly the whole or part of an estate was put into the market to pay off mortgages or for some other reason. What happened tager on the estate was at once given notice to quit. That seemed to him to

Morgan-Guggenheim Interests Dispose for Northwestern Fisheries Co. to Booth Company, of Chicago

SEATTLE, March 16.-The Post.In. illigencer tomorrow will say that the corgan-Guggenheim interests have dis. posed of the Northwestern Fisheries Co., one of the largest salmon packing ompanies of Alaska to the Booth Fisheries Company, of Chicago and Balti, more. The consideration is placed at \$1,500,000.

The property involved in the sale in cludes nine large Alaska canneries, six sailing ships and several tugs, barges and cannery tenders. The Northwest. ern Fisheries Company will retain its corporate name, but will be a subsidiary company of the Booth Fisheries It is reported here that the Booth

interests recently floated a \$4,000,000 bond issue in New York and that they plan extensive additions to the plants in Alaska.

It has been known for several months that the Morgan-Guggenheim interests desired to dispose of their canneries and to confine their Alaska enterprises to transportation and mining ventures They already control one of the principal steamship lines operating between Seattle and Alaska ports, as well as the largest railroad in Alaska. Now that hey have disposed of their enterprises to the Booth interests in is expected that they will add to their transportation lines, increasing the facilities for Alaska shipping.
