BRONTE, ONT., MARCE 1st. 1912.

"Fruit-a-tives has made a complete rein my case of Rheumatism, that had at least five years standing before I commenced the treatment. The trouble was principally in my right hip and shoulder, the pain from it was almost unendurable. Not being able to sleep on that side, if I chanced to turn on my right side wille asleep, the pain would immediately awaken me. This kept up until I started taking "Fruit-a-tives". I started by taking one or two tablets with a large glass of water, in the morning before breakfast and experienced pronounced relief very shortly. After a continued treatment for about six months, I was cared and am now in firstclass health. This, I attribute to my persistent use of "Brait-a-tives" and I heartily recommend your remedy to any Rheumatic sufferers."
