Purity Ice Cream Made Without Air!

When you preserve peaches you shut the air out to keep the flavor in. So it should be with ice cream—air contaminates; air soils, air steals away the flavor.

That's why Purity Ice Cream is made without air. It's carbonated by the new Heath Process—and comes to you cleaner, creamier, colder.

A revelation in ice cream. Tell your dealer you want to enjoy it.

THE VARSITY TROUPE

The Varsity Troupe of King's College, which is playing at the Primrose Theatre on May 19th are not strangers to the theatre goers of this town. Last year they played in all the chief centres in the Maritime Provinces, and everywhere the general comment was "Equal to professionals".

The St. John Telegraph said of them, "Playing their respective roles with an air of breezy naturalness that was most refreshing; the Varsity Troupe of Kings' University achieved a distinct triumph and instantly won their way to the favor of the St. John theatre goers."

The Truro Times also said of them, "The cast was a strong one and there was no poor actor on the stage, without doubt one of the best amateur companies on the road."

Such comments as the above were heard in every city and town where the Troupe visited. The three act play "Ann", which they are presenting this year, is a very amusing comedy, full of delightful complications and interesting situations. The vaudeville bits are new and original and those who enjoyed all the humorous situations of Mrs. Temple's Telegram will find nothing lacking in "Ann". The Troupe have secured new scenery, new costumes and carry their own stage settings. They will undoubtedly receive a cordial reception when they visit Bridgetown on Friday, May 19th.

Mr. Wilbert Avery, the talented young violinist, who offered such a musical treat to his audience last year, will again be with the company.

DEEP BROOK

Mrs. S. A. Spurr was a visitor in Bridgetown last week.

Miss E. A. McClelland was in Bridgetown Monday 8th.

Mrs. Ellis, who has been visiting her sister, Mrs. E. V. Hutchinson, returned on Thursday to her home at Eastern Harbor, Cape Breton.

PARADISE

Mrs. Susan Shaffner recently visited her daughter, Mrs. F. N. Bishop. Mrs. Florence Bent has leased her farm to Mr. James Connell, of Kentville, and she and her son Gilbert will spend the summer with relatives in New York.

Mr. Gordon Longley, of the Royal Bank, Halifax, spent the past week-end with his parents. He is now in Bear River supplying for a member of that branch who is on vacation.
