

To Our Many Kind Customers

We thank you most heartily and sincerely for the vast amount of patronage which has been bestowed upon us during the past sixteen years, and we feel that the efforts which we have put forth have not been in vain.

Our idea has been to do the best work, and as the demands of the trade required, we have from time to time added new buildings and the latest

- Improved Machinery -

Our latest addition has been machinery for finishing All-Wool and Union Dress Goods, one machine alone costing us over \$2,500.00. Goods such as Bedford Cords, Merinos, Cashmeres, Nun's Veilings, etc., can now be finished without any shrinkage in the width.

As in the past we will "Hold First Place," and our customers may rest assured that all goods which we take in hand will be dyed and finished as well as it is possible for them to be done, and as good work as is done in any part of Europe.
