The telegraph stamps of Canada are little known. The C. P. R. Company's stamp contains a map of North America, in a circle around which are the words "Canadian Pacific Railway" above and "Telegraph" below. Half of the date is at each side of the map. At the top is the word "Frank" and the number (in red.) At the bottom is the manager's signature and the word "Complimentary." There are nine varieties, all printed in black, the date being the only point of difference. The first stamp was issued in 1887, the next in 1889, and one each year from that date.

The Mekeel Co. recently obtained a copy of the Canada 3c on laid paper, on the original cover. The postmark was dated Aug. 31, 1868.
