

MONTREAL MINING EXCHANGE.

HEAVY REALIZING IN MONT-LONDON STOCK BREAKS TO 38 — BIG THREE FIRM WITH A STRONGER UNDER-TONE.

Montreal, Nov. 30.

The majority of the trading this morning was done in Montreal-London, it was under heavy pressure during the whole session and suffered in consequence.

There were several reasons given for the decline, but one of the most likely seems to be the selling out of a large block of stock by one closely connected with the company. In the early transactions it sold as high as 39 cents, but this was the best figure of the day, and it did not stay at this price long; on a gradually sliding scale it sold—at 39 for 2600 shares—at 38½ for 7000 shares—and at 38 for 5500 shares, sales in all amounting to 15,600 shares. The feeling at the close was a trifle firmer, the last sale being made at 38½, but the recovery seemed to have little "vim" or "life" in it. On the Montreal Stock Exchange broken lots sold as low as 35 cents, the bid and the ask on the closing quotations were 39-38.

Payne was not quite so steady, selling at 112½. It sold yesterday as high as 114½ and repeatedly at 113, to-day the only sale recorded was at 112½ for a 500 share lot.

Big Three remained unchanged at 10½, which is the figure at which it has been selling of late. The undertone, however, is firmer than it has been for some time, and the demand round these present prices is constantly improving.

Slocan Sov. sold at 33 for sales amounting to 2000 shares and at 31 for a 500 share lot. It sold yesterday at the same figure, viz.: 33, at the close it was offered at 32.

In sales amounting to 7000 shares Deer Trail No. 2 sold at 18. Among the remaining issues, Golden Star was steady at 33-31, Old Ironsides at 10½, which was bid, the stock being offered at 10.

Virtue was entirely neglected, 50 being bid, the stock being offered at 52.

War Eagle, Republic, Montreal-London, Rambler-Cariboo, are all selling ex-div. to-day.
