## HOLLOWAY'S PILLS.

THE blood furnishes the material of every bone, muscle, gland and fibre in the human frame. When muscle, gland and fibre in the human frame. When pure, it secures health to every organ; when corrupt, it necessarily produces disease. HOLLOWAY'S PILLS operate directly upon the elements of the stream of life neutralizing the principle of disease, and thus radically curing the malady, whether located in the nerves, the stomach, the liver, the bowels, the muscles, the skin, the brain, or any other part of the system.

USED THROUGHOUT THE WORLD!

HOLLOWAY'S PILLS are equally efficacious in com-plaints common to the whole human race, and in disor-ders peculiar to certain climates and localities.

## ALARMING DISORDERS.

Dyspepsia, and derangement of the liver, line source of infirmity and suffering, and the cause of innumerable deaths, yield to these curatives, in all cases, however aggravated, acting as a mild purative, alternative and tonic, they relieve the bowels, purify the fluids, and inyigorate the system and the constitution at the same time.

General Weakness—Nervous Complaints.

When all stimulants fail, the renovating and bracing properties of these Pills give firmness to the shaking nerves and enfeebled muscles of the victim of general debility.

DELICATE PEMALES.

All irregularities and allments incident to the delicate and sensitive organs of the sex are removed or prevented by a few doses of these mild but infailible alternatives. No mother who regards her own or nor children's health should fail to have them within her reach.

BOIENTIFIC ENDORSEMENTS.
