REV. E. P. HAMMOND.

GOD is honoring the labors of Mr. Hammond in our midst. Of this we have received proof which is convincing. The meetings at Sherbourne St. Church have been largely attended. Afternoon services were commenced in Shaftesbury Hall on Monday last, and from the first the attendance has surpassed the expectations of the best friends of the work. The Hall has been filled, and the spiritual power and interest has been increasing. On Thursday evening notwithstanding the storm, the hall was again filled. Mr. Hammond will next week hold afternoon and evening services in Elm Street Church, and probably a morning meeting in Shaftesbury Hall. May the Churches of Toronto be aroused to united action and may many sinners be brought to Christ is our earnest heartfelt prayer.

FREE LECTURE.

MR. D. A. Jones was last Tuesday evening greeted by an audience which clearly manifested that the public are interested in the "Busy Bee." The lecture was very interesting, and had many

points which made it attractive. In the first place Mr. Jones *knew* what he was talking about, and secondly He knew *how* to talk about it. Possessed of these two essentials to a successful lecture, it is not astonishing that he was listened to with interest. We thank Mr. Jones for his kindness, and hope that his future success in "Bee Farming" may be even greater than that of the past.

OUR WORK.

WE felt truly grateful to God as we entered the Bible Parlor last Thursday evening and saw such a goodly number of earnest happy Christian Young Men assembled for the purpose of prayerfully re-organizing the work of the Reception Committee. The newly appointed chairman Mr. Lawrence presided and the duty was comparatively light, as the call for volunteers for each evening's work was so readily and cheerfully responded to. A very short time was spent in filling out the different appointments and the rest of the evening was spent in prayer. We were particularly struck with an expression used by one young brother while leading in prayer. He said, "Lord so fill each of us with the Spirit of Christ that we may receive every visitor to our rooms as Jesus would receive him." We utter a hearty Amen to this.

STRANGERS.

IN accordance with the resolution adopted at the workers' meeting, we have prepared a new form of invitation slip, which we hope may be blessed of God in leading many strangers to drop in to our meetings, and that there, they may be led to the Lord Jesus Christ.
