

Grand Central Station, New York.

The president of one of the great universities of New York says of it:

"Permit me to congratulate the company upon the marvelous transformation of Grand Central Station. I did not suppose there was any wand that had sufficient magic to bring out of the old station anything of such perfect adaptability and beauty."

This new palace, located in the very heart of the metropolis, is the New York terminal station of all the

NEW YORK CENTRAL LINES.

No wonder so many travel by this route. These lines comprise the New York Central, Boston & Albany, Michigan Central, Lake Shore, Big Four, Pittsburg & Lake Erie and Lake Erie & Western Railways.

Copy of the Illustrated Catalogue of the "Four-Track Series," New York Central's books of travel and education, will be sent free, post paid, to any address on receipt of a postage stamp, by George H. Daniels, General Passenger Agent, New York Central Railroad, Grand Central Station, New York.
