YERS, NOTARIES, OFFICIALS, ABSTRACT
MAKERS, INSURANCE WRITERS, CLERKS,

And all whose business requires writing, do
not deface your books by scratching, use

Which works instantaneously and does
not abrade the paper.

Manufactured by

THE MONROE ERASING CO'Y.

A Neat and Clean Set of Books is appre-
ciated by good business men.

It Erases Ink in two Seconds.

The Eraser is in size and shape similar to
a common lead pencil, and is used in cen-
tration with a small vial of common water
which has a few grains of Chloride of Lime
dissolved in it. The Pencil absolutely con-
tains no poison of any kind, and is perfectly
harmless when tasted. Is absolutely safe to
use, and removes ink blot, fruit and other
liquid stains without injury to paper or
other delicate white materials, without
abrasion. Writing can be erased in part
or entirely, errors corrected, blots re-
moved and the paper can be written on
again as perfectly as though never used.
To erase writing simply moisten the writing
by wetting end of pencil and pass over it.
Then apply a drop of the liquid either with
reverse end of penholder or the cork which
is in the vial.

PRICE OF ERASERS:

(To any address, by mail)

No. 1, extra large, 75 cents each; No. 2,
medium size, 50 cents each; No. 3, smaller
size, 30 cents each.
