

TO THE DRUG TRADE.

The undersigned beg to draw the attention of

CHEMISTS & DRUGGISTS

throughout the Dominion to the fact that we are now in a position, having made extensive additions and alterations to our CHEMICAL WORKS and DRUG MILLS, to supply the Trade in quantities suitable to their requirements with a full line of CHEMICALS and PHARMACEUTICAL PREPARATIONS.

We **WISH SPECIALLY** to attract notice to our Chloroform, Æther, Sulph. .725, Sps. Æther Nit. P. B., Nitrate Silver, Fluid Extracts, Fruit Essences, Citrate Magnesia, Tinctures, &c., &c., all of which, are year by year made in increased quantities and shipped to all parts of the Dominion.

Our stock of SURGICAL INSTRUMENTS is unusually large and varied, comprising the best English, French and American Makers. To this branch of the business we pay very close attention and can ship by **Express** or **Mail** on **shortest** notice.

We invite **SAMPLE ORDERS** from the more distant parts of the Dominion, confident of giving satisfaction.

To the

HARDWARE TRADE & GENERAL STOREKEEPER

Our Stock of **COLORS** Dry and in Oil, also all kinds of **OILS**, **TURPENTINE**, **TAR & ROSIN** is very large. We are still grinding the same Brands of **WHITE LEAD**, that have been for so many years favourably known in this market "as Lyman's." We fill packages of any size to suit customers.

To

WOOLLEN MANUFACTURERS.

Our Stock of **DYE STUFFS** is complete and well assorted, particular attention being paid to **QUALITY**. The **CLOTHIERS' MATERIAL** Department is well filled, and parties at a distance can rely on having such articles as **Bobbins**, **Card Clothing**, **Harness Frames** and **Heddles**, **Press Papers**, **Shuttles** **Hand Loom** and **Power Loom**, **Reeds**, **Pickers**, &c., ordered by letter, promptly attended to.
