What True Merit Will Do.
The unprecedented sale of *Boschee's German Syrup* within a few years, has astonished the world. It is without doubt the safest and best remedy ever discovered for the speedy and effectual cure of Coughs, Colds, and the severest Lung troubles. It acts on an entirely different principle from the usual prescriptions given by Physicians, as it does not dry up a Cough and leave the disease still in the system, but on the contrary removes the cause of the trouble, heals them in the parts affected and leaves them in a purely healthy condition. A bottle kept in the house for use when the diseases make their appearance, will save the doctor's bills and a long spell of serious illness. A trial will convince you of these facts. It is positively sold by all druggists and general dealers in the land. Price 75 cts., large bottles.

A Common Cold

Is often the beginning of serious affections of the Throat, Bronchial Tubes, and Lungs. Therefore, the importance of early and effective treatment cannot be overestimated. Ayer's Cherry Pectoral may always be relied upon for the speedy cure of a Cold or Cough.

Last January I was attacked with a severe Cold, which, by neglect and frequent exposures, became worse, finally settling on my lungs. A terrible cough soon followed, accompanied by pains in the chest, from which I suffered intensely. After trying various remedies, without obtaining relief, I commenced taking Ayer's Cherry Pectoral, and was

Speedily Cured.

I am satisfied that this remedy saved my life.—Jno. Webster, Pawtucket, R. I.

I contracted a severe cold, which suddenly developed into Pneumonia, presenting dangerous and obstinate symptoms. My physician at once ordered the use of Ayer's Cherry Pectoral. His instructions were followed, and the result was a rapid and permanent cure.—H. E. Simpson, Rogers Prairie, Texas.

Two years ago I suffered from a severe Cold which settled on my Lungs. I consulted various physicians, and took the medicines they prescribed, but received only temporary relief. A friend induced me to try Ayer's Cherry Pectoral. After taking two bottles of this medicine I was cured. Since then I have given the Pectoral to my children, and consider it

The Best Remedy

for Colds, Coughs, and all Throat and Lung diseases, ever used in my family.—Robert Vanderpool, Meadville, Pa.

Some time ago I took a slight Cold, which, being neglected, grew worse, and settled on my lungs. I had a hacking cough, and was very weak. Those who knew me best considered my life to be in great danger. I continued to suffer until I commenced using Ayer's Cherry Pectoral. Less than one bottle of this valuable medicine cured me, and I feel that I owe the preservation of my life to its curative powers.—Mrs. Ann Lockwood, Akron, New York.

Ayer's Cherry Pectoral is considered here, the one great remedy for all diseases of the throat and lungs, and is more in demand than any other medicine of its class.—J. F. Roberts, Magnolia, Ark.

A Wonderful Relief for Deafness

A triumph of the Nineteenth Century in Medical Science.

At a lecture recently given in one of our hospitals the speaker, while illustrating the advancement in medical science, brought a patient afflicted with deafness, whose case, baffled all medical skill, has been considered hopeless. But attention having been attracted to an invention of H. A. Wales, of Bridgeport, Conn., it was used with the most gratifying results, as the hearing was fully restored by it.

Upon making further tests, it was far in advance of any known device for the relief of deafness, as cases of fifty years' standing were fully restored by it. Confidence was established in this device by the facts that it is wholly out of sight, that it can be worn several months without removing and that it is inserted by the patients themselves.—N. Y. Free Trade.

The reduction of internal revenue and the taking off of revenue stamps from Proprietary Medicines, no doubt has largely benefited the consumers, as well as relieving the burden of home manufacturers. Especially is this the case with *Green's August Flower* and *Boschee's German Syrup*, as the reduction of thirty-six cents per dozen, has been added to increase the size of the bottles containing these remedies, thereby giving one-fifth more medicine in the 75 cent size. The *August Flower* for Dyspepsia and Liver Complaint, and the *German Syrup* for Cough and Lung troubles, have perhaps the largest sale of any medicines in the world. The advantage of increased size of the bottles will be greatly appreciated by the sick and afflicted, in every town and village in civilized countries. Sample bottles for 10 cents remain the same size.
