RUNAWAYS IMPOSSIBLE!

IS THIS POSSIBLE? YES, with the AUTOMATIC SAFETY BIT, any horse who ever starts to run away, be he vicious or running from fright, can be stopped without injury to horse, or driver. HARD-MOUTHED or PULLING horses driven with ease. Your horse CANNOT run away with the Automatic Safety Bit.

You have a handsome horse, bright and spirited, that you would like to drive, but hesitate to do so as under certain conditions you feel you cannot stop him. With the Automatic Safety Bit you can drive him and stop him easily without the slightest injury or irritation to the horse. You have a handsome horse you would like to have your wife or daughter drive, but are afraid to do so, for fear they will not be able to control him. With the Automatic Safety Bit adjusted a fifteen year old girl can stop the most vicious horse without hurting the horse or in any way worrying or fretting him. The mechanism for stopping the horse does not act upon the bit proper, but through the outside of the bit on the nostrils, closing them and shutting off the horse's wind, and of necessity stopping him. Absolute safety from running away is guaranteed to anybody using these Bits. Simple in construction, easy on the horse and absolutely reliable. Circulars and testimonials will be sent you upon application to

“August Flower”

Mrs. Sarah M. Black of Seneca, Mo., during the past two years has been affected with Neuralgia of the Head, Stomach and Womb, and writes: “My food did not seem to strengthen me at all and my appetite was very variable. My face was yellow, my head dull, and I had such pains in my left side. In the morning when I got up I would have a flow of mucus in the mouth, and a bad, bitter taste. Sometimes my breath became short, and I had such queer, tumbling, palpitating sensations around the heart. I ached all day under the shoulder blades, in the left side, and down the back of my limbs. It seemed to be worse in the wet, cold weather of Winter and Spring; and whenever the spells came on, my feet and hands would turn cold, and I could get no sleep at all. I tried everywhere, and got no relief before using August Flower. Then the change came. It has done me a wonderful deal of good during the time I have taken it and is working a complete cure.”
