

LIFE.

"Home, Sweet Home;" as home ties are by far the dearest, you, as the bread-winner, if you would make the future of your loved ones BRIGHTER when you have been removed by death, should make absolute provision for their welfare NOW, while you have health, by insuring in a progressive company, such as the North American Life.

The best of all that's good in Life Insurance is offered in the plans of this Company.

Something of value to intending insurers furnished on application to our office, or any of the Company's agents.

WM. McCABE, Mng. Director.
