PETITIONS

PROPOSED DEVELOPMENT OF NCC PARKLAND

Mr. Barry Turner (Ottawa—Carleton): Mr. Speaker, I have the honour to present a petition signed by 33 residents of the National Capital Regional who humbly pray and call upon Parliament to take their concerns into consideration and reject the proposal to build an embassy on the Mile Circle.

ASSESSMENT OF CN MAINTENANCE FACILITIES

Mr. Dennis H. Cochrane (Moncton): Mr. Speaker, once again I have the honour and privilege of presenting a petition, duly certified by the Clerk of Petitions, from the constituents of the southern part of the Province of New Brunswick expressing their concern with regard to the current assessment being conducted by Canadian National into its maintenance facilities across Canada. The petitioners are concerned that any results of that study that would downgrade in any way the facility in Moncton would have a drastic effect upon the economic wellbeing of the Province of New Brunswick.

Mr. Speaker: I am in receipt of a notice of an application under Standing Order 29 from the Hon. Member for Humboldt—Lake Centre (Mr. Althouse).
