

Third Year:—English, French or Mathematics, Science, History, Ethics or Political Economy.

Fourth Year:—English, French or Mathematics, Science, History, History of Philosophy or Political Economy.

The Science of these three years is made up of Botany, Zoology, and Geology, which are offered in any order, one each session, and are of equal value. A student who selects Mathematics, or Political Economy, or the philosophical group of subjects, must take the subjects or group chosen throughout the three years, *i.e.*, the sequence provided by these subjects cannot be broken. Four Summer Sessions is the minimum attendance requirement. Correspondence work is preparatory to the work of the Summer Session.
