

A STIRRING BIOGRAPHY.

GEORGE MILLWARD McDOUGALL

The Pioneer, Patriot and Missionary.

BY HIS SON,

REV. JOHN McDOUGALL,

WITH INTRODUCTION BY REV. ALEX. SUTHERLAND, D.D.

Cloth, with Portrait and Illustrations,

75 CENTS.

We quote from the closing paragraph of Dr. Sutherland's Introduction :
" As the author's aim has been to present a plain, unadorned portrait of the man, he has wisely allowed him to tell his own story in extracts from reports, and journals, and letters, some of which were written with the freedom of personal friendship, without any thought of publication. These memorials will be read with eagerness throughout the Church, and will, by the blessing of God, be an inspiration in missionary effort. They are commended, more especially, to the study of our rising ministry, with the earnest prayer that they may lead some to tread in Geo. McDougall's footsteps, and win a like imperishable renown."

We would urge upon the librarians of our Sunday Schools to have this book placed on their shelves. " Like father, like son," is an old adage which finds fulfilment in the life of the biographer, who presents this loving tribute to the memory of his honored and sainted father. " Forest, Lake and Prairie " will be eagerly read by thousands of the Canadian youth.
