

twelve millions (£12,000,000), and were they to contribute a donation of one penny in the pound, it would likewise produce the necessary sum.

It is nevertheless presumed that our people will feel more pleased and gratified in being addressed individually by their friends and neighbours, because they can thus be made more aware of the noble and undying nature of the effort they are called upon to make, and have their hearts and affections stirred up to do it willingly for the glory of God and the health of their immortal souls. This method likewise appears the most effective, and with good arrangement promises a happy result. Thus, taking as before, our families at 50,000, it does not seem burdening them too much by classing them as follows:—

The First Class, one thousand, at	£10	each	£10,000
The Second class, two thousand, at -	5	each	10,000
The Third class, six thousand, at -	2 10	each	15,000
The Fourth class, eight thousand, at	1 10	each	12,000
The Fifth class, ten thousand, at -	1 0	each	10,000
The Sixth class, twenty-three thousand, at	5	each	5,750

Fifty Thousand ..... £62,750

These six classes are indeed all arbitrary, but yet the sums opposite each are so moderate that we have reason to hope that there will be no great falling off. Surely we may expect in the whole of Upper Canada one thousand families ready and able to give ten pounds each to so glorious an object, and so with the other classes. According to this table we have an average of £3 7s. 6d. for each family, and as it is desirable that all should give something, nearly one-half of the whole number of families are placed at five shillings each. But should there be even a considerable deficiency it will be covered by the £12,750, the surplus above the estimate of fifty thousand pounds.

In regard to the Bishopric of St. Mary, though not placed with the other three Sees, it is not to be forgotten, and may be endowed as follows: First, we have the donations or contributions within its bounds, which, though of very small amount, will nevertheless yield something and will increase. Second, we have the hope of some excess over the fifty thousand pounds, a portion of which and such a small percentage on the whole amount as the Synod may see fit to deduct, may both be added to what is collected in the Diocese.

We have reason to look for special gifts to the See of St. Mary from the great Church Societies and other liberal and pious friends in England, because it is different from the other
