in England and on the Continent,—not only from what he had already published, but from the great works he was known to have in hand, an outline of which he was at all times willing to communicate to such as were capable of appreciating his plans and discoveries. Above all, his reputation was as yet untarnished. His sudden wheel from the liberal to the conservative side—an occurrence which, even in our days, society easily pardons from its frequency—was then considered merely as the judicious correction of a youthful indiscretion. All was now bright hope with him for the future—without self-reproach when he reflected on the past.

none; but for felony very many."—Elisabeth (very eagerly). "Wherein?"—Bacon. "Madam, the author hath committed very apparent thest, sorthe hath taken most of the sentences of Cornelius Tacitus, and translated them into English, and put them into his text."—Apology. Works, vol. vi. 221.
