

Badge of the Army and Navy Veterans in Canada

THE above is a cut of the Authorized Badge of the Army and Navy Veterans in Canada. It is a solid silver medallion with shield lettering and rim raised above the general surface and beautifully enamelled in colours of red, white and blue. The badge is suspended by a ribbon the same as used by the Army and Navy Veterans of Great Britain. The clasp represents a military rifle and sling on which is a beaver holding in its mouth a maple twig. For particulars as to issue and right to wear same, see sections 38 to 43 both inclusive of the within by-laws.
