BY MAIL

MAIN THROUGH TRUNK RAILWAY.

FROM

THE ATLANTIC TO THE PACIFIC:

CONTAINING

- I. CORRESPONDENCE WITH MINISTERS AND OTHER PROCEEDINGS ON SUBJECT SINCE 1845.
- II. MEMORANDUM PLACED IN THE HANDS OF THE COLONIAL MINISTER APRIL, 1858. *by Sir Robert Peel*
- III. EXTRACTS FROM THE EVIDENCE TAKEN BY THE COMMITTEE ON HUDSON'S BAY TERRITORY, 1857.
- IV. APPENDIX, CONTAINING NOTES, EXTRACTS, STATISTICS, &c.
- V. MAP OF THE RAILWAY.

"Whilst the citizens and Government of the United States are perfectly alive to the advantages which their country would derive from the possession of this great highway of national commerce, and rich capitalists appear almost to have forgotten that in British America there exist vast regions admirably adapted for the construction of a railway by which Great Britain would defy the competition of the world."

LONDON:

ROBERT HARDWICKE, 192, PICCADILLY.

1858.
