The bouts were fast, and some covering of thetarget with arm and head was noticeable. The local fencers are not used to some of the M.A.A.A. tactics, and were at a loss to know why some of the covering, etc., was allowed. Montreal have not improved on their former representatives.

have not improved on their former representatives.

The M.A.A.A. swordsmen were accompanied by Monsieur Drouet, their former fencing master, and the partiality that they seemed to show for his refereeing in bouts which they were concerned, was very noticeable and deBay's winning was greatly due to his decisions, in which he was not supported by the other indges and officials, who, however, conceded to his judgment.

The popular opinion was that the Canadian champion, C. Walters of T.C. Y.M. C.A. and Mr. Duncan of Varsity graduates, were presented with an extremely judy lemon in the manner in which the rules were applied.

Much may be said on the good fencing material from Varsity and Central. Some who have shown evidence of championship qualities during the tournament were Akers, Montgomery, Gordon and Alley (Varsity), Nordheimer, Lockwood, Geiscke, McKissock and Loring (Y.M.C. A.).

Cotton Knocks Out Kubiak. PITTSBURG, Nov. 25.—Al Kublak, the Polish glant from Michigan, was knocked out in the fifth round of a six-round bout here to-night by George Cotton of Pittsburg, a well-known negro heavyweight. The punch that put Kublak out of commission was apparently a jucky one, as up to the time of its sudden delivery Kublak had all the better of Cotton,
