W. S. Tilston, representing the

ent rates did not pay. After hearing a lot of evidence, the During an application of the Canadian Manufacturers' Association for a reduction to first-class rates on incandescent electric lamps carried by express, it transpired that 22 per cent. Conservative Official Organ of the whole production of bulbs in the United States came to Canada.

GOLDEN JUBILEE 1919

TWIN CITIES CALL FOR HYDRO EXPERTS

Judgment in the matter was reserved

of the cities of Port Arthur and Fort to the meeting of the Conservative William, held in Port Arthur recent- members in caucus, said:

## **COMING ROUND TO CONVENTION IDEA**

Thinks Time is Now Opportune.

The Mail and Empire scents the necessity for a Conservative convention now that all the damage to the At a joint meeting of the councils party has been done. That newspa-

> tion. Such a convention would, of course, deal with the question of leadership and any choice made in

the meantime to carry on thru
the coming session will be in the
nature of a temporary one."

Long before the provincial elections The World persistently urged
upon Sir William Hearst and the
party generally the advisability of
holding a convention, shaping a
natform and letting the geonic know

exactly where they stood. A few members of the party favored the idea, but they were ruled out. Sir William went to the country on his "record"—and the rest was told at he polls on October 20.

ance being loss to contents. One fire was said to be of incendiary origin and one child was burnt to death ANOTHER O.T.A. BREACH

Robert Cadarethe contravened the O.T.A. by having liquor in his motor car. In the police court yesterday he paid \$200 and coats
