proval, and that the various organizations identified with the good work have hopes of securing the use of several suitable sites in the near future. Owing to lack of funds the committees in charge of the work are compelled to ask that the use of the grounds desired be obtained gratis until such time at least as sufficient chase or purchases. Several likely sites are being looked over, and although the locations cannot be given out at present, it is intimated that they are practically in the heart of the city, where they are most needed. INSPECTOR WAS NOT "TAKEN IN."
