Team batting, bah! What's the use Did you ever see the like in the extra game at the Island yesterday. The Torontos gave a champion exhibition of how to avoid the timely swat. Still we won in a walk because Rudolph was invincible. It's pitching that wormen hist pinch hitting.

Maud Keswick, probably the fastest pacer ever bred in Canada, is not the mare of old. On closing day of the short shift circuit at Pontiac, she was fourth in a four horse free-for-all, being distanced in the sixth heat and never better than third, but once in front of Tax Title that proved the winner. Kingmore was second and Dr. Bonney, third in the division of the

The Russian Derby, the chief Russian racing event, which win be run off at Moscow on July 11, is attracting unusual attention, because sight American horses will compete in this event. C. K. G. Mr. Billings intends to give an exhibi-tion of Lou Dillon's speed and style, but will not compete for prizes.

The Lawrence Realization Stakes, for three-year-olds, one mile and five furlongs, to be run at Sheepshead Bay next Tuesday, it's expected will be won-by Fitz Herbert. The winner's share of this rich prize will be close to \$18,-000. From present indications the starters will be Fitz Herbert, John E. I have just seen in a cyby of your paper (June 18) a statement by Mr. Allan Pinkerton. who says: "There is very little heavy betting or the English race track"—"a man with a fill note can make nearly every booknaker rub or refuse a wager." Now I am not acquainted with Mr. A. Pinkerton, but if (as his name suggests) he is ore of the ismous detective firm, then I must say his powers of discernment have led him astray for on. A man with a fill reference in the proverbial 2 cents if he winted to any betting because he can find hockies in the old ring ready to lay the olds to his fill note many times over on any race. I am affaild Mr. P. must have wandered amongst the silve merchants on the hill, or perchance found his way into the half crown ring. Let him go to the guinea enclosure next time he is over and see how far his spowll go. I've been thru it myself, so I pretty near know what you can lose. I have just seen in a copy of your dance—2500.

Bronchos and Leafs Break Even Visitors Couldn't Hit Rudolph

Errors Give Rochester Early Start in First Game---Buffalo, Jersey City and New-

Rochester, as on Thursday, sewed up the first game yesterday in the initial innings by scoring four runs, due to Mahiling's three errors, when the side should have been retired, and from this on to the final spasm the game was never in doubt, the fans being glad when the exhibition terminated. The score was:

Rochester II, Toronto 3.

It was a slow, long-drawn-out game, with no features to enliven the crowd. Jeff Pfeffer started for the Leafs, but both he and Mitchell were taken out in the third, Kellogg and Vandy replacing them. Barger was hit hard by Toronto, but bad baserunning in the first saw the locals only get one run on four hits. However, the score tells the tale, while the exhibition was even worse than the score indicates. Score:

To-Day's Games.

Toronto and Rochester divided a double header yesterday, the Bronchos winning the first in a very uninteresting exhibition by 11 to 3, while the Leafs captured the second 3 to 1, thanks to the masterly twirling of Rudolph.

Buffalo won from Montreal 4 to 3 in a leven innings game, and Jersey City beat Baltimore 2 to 1, while Newark came strong at the finish and beat out Providence 3 to 2.

Buffalo have secured Infielder Hannifan from Jersey City, while Baltimore have got back Southpaw Schmidt from New York Americans.

Rochester and Toronto will play a double-header again this afternoon. Jim McGinley will pitch the first game and it is likely Jeff Pfeffer will twiff the second game.

This was in spite of the fact that they do not believe in the bodily resurrection of Christ, His virgin birth, the inspiration of the entire Bible, the story of Adam and Eve and the forbidden fruit and many of the miracles. Mr. Fitch had the distinction of having his ordination sermon preached by the Rev. Dr. Francis Brown, president of Union Seminary. But even tho he is "ordained" the controversy is not end-ed.
