To the Clergymen of New Brunswick:

The Provincial Union Government Committee has endeavored by a campaign of advertising, and public meetings addressed by well known men and women to assist in the presentation of the great issue before the people of New Brunswick and Canada in this all important Election and national crisis.

The success of Union Government and the safety of the Honor of Canada will depend largely upon the information given to former Liberals and Conservatives and winning their support for united action in the face of a common enemy until

Feeling that it is the highest duty of every leader of the people to persuade the men and women of this country as to what is best for them and the Empire, the officers of the Provincial Union Committee request the clergymen of NEW BRUNSWICK to MAKE SUNDAY, DECEMBER 16TH, UN-ION SUNDAY and to direct the attention of their congregations to their duty to their Country and the gallant Canadian Soldiers who are fighting for freedom and civilization overseas.

IRVING R. TODD. Chairman Provincial Union Committee
