

BRITISH PARLIAMENT ADVANCES THE MUNITIONS BILL A STAGE

London, June 7.—Despite opposition by Labor members and by Sir Henry Duffell, a Radical Liberal, the house of commons today gave a second reading to the munitions bill, and then sent the bill to a committee of the whole. The committee authorized the salary for the minister of munitions, who will be David Lloyd George. The salary is not to exceed £25,000.

The opposition to the measure was on the ground that it was, in effect, a move for the conscription of British labor. The bill will be discussed further tomorrow by the house, when Premier Asquith has promised a detailed statement concerning the government's attitude in recruiting and the munitions question.

J. H. Thomas, a Labor member, who was the last person to speak on the bill at today's session, said that if the munitions measure was passed it was incumbent upon the government to give assurances that any relaxation in trade union rules should be only for the duration of the war.

"The government," said Mr. Thomas, "will not get what it wants by putting a pistol at labor's head. Let the government say what it wants and the labor leaders and the workers will quickly rectify any mistakes that have been made."

London, June 7.—(Montreal Gazette Cable)—Government control of the Indian wheat supply, thus preventing speculation, combined with the prospects of good harvests in Canada and the Argentine and the forcing of the Dardanelles, thus liberating the Russian supply, is causing wheat prices to fall at the rate of about a dollar daily. The prospect is that wheat will soon be as cheap as before the war.

The London County Council and some metropolitan boroughs contemplate purchasing coal at summer prices, with the intention of retailing it at low rates next winter, thus avoiding the heavy prices paid by the poor last winter.

CARE OF TEETH OF THE SCHOOL CHILDREN

Consideration of establishing some permanent dental service for the school children of Halifax was discussed at the last meeting of the school board. Miss Larkin, the school nurse, appeared before the board and asked that some provision be made for the dental treatment of school children. The Halifax dispensary office of the men we have been educating and sending all over the world to work for other people.—Sir Clifford Sifton, at 1915 Annual Meeting.

The whole question will be gone thoroughly into by a committee. The need for some such treatment is quite apparent in the schools, for there are many children frequently absent owing to toothache and other diseases caused by bad teeth.

Outside is not producing one-half of what it could in agricultural products if that industry had the intelligent attention of the men we have been educating and sending all over the world to work for other people.—Sir Clifford Sifton, at 1915 Annual Meeting.

Halifax Echo—Jitney buses are coming to Halifax. Routes have been selected and the type of cars chosen. They will use Forks. The cars will hold eight people. The fare will be five cents. The promoters talk of erecting a \$100,000 garage. The organizers asked the city for a five year exclusive privilege to operate jitneys. The city solicitor said the city could not grant an exclusive privilege.

HEART WOULD PALPITATE. DARING AVIATOR IS A CANADIAN

Palpitation of the heart is one of the most common of all heart troubles. The heart will beat fast for several seconds, then slow, then start to flutter, and a feeling of utter depression will come over the system accompanied by weak and dizzy spells, making you feel that you are surely going to die. When you feel this way what you require is a real good heart and never tiring; one that will strengthen the weak heart and build up the nerve system. For this purpose we know of nothing that can equal Milburn's Heart and Nerve Pills.

Mrs. J. S. Nichols, Listowel, Ont., writes: "I was weak and run down, my heart would palpitate, and I would feel dizzy spells. I cannot praise your medicine too highly for it has done me a world of good. My husband has also been bothered with heart trouble ever since childhood and finds great relief in using your valuable pills."

Milburn's Heart and Nerve Pills are 50 cents per box, 3 boxes for \$1.25, at all dealers or mailed direct on receipt of price by The T. Milburn Co., Limited, Toronto, Ont.
