FREDERICTON, Aug. 22—So successful has the illustrated motor car lecture tour of the Canadian Forestry Association been that the tour has been continued upon request in the nothern counties. Ambrose Legere returned last week to Gloucester county upon completion of the tour of the company's houses and for a short time threatened the entire village and plant, doing damage estimated at \$20,000 before being brought under control.

Firemen were handicapped not only by lack of numbers and water supply, but, by the bursting of hose which was finally spread from far distant hydrants, when motor-cars were driven over them at the point where they crossed the highway leading to Cow Bay beach.

The residence in which the fire started was destroyed and a store and the-

in the forests of the province as a manufacturer of lumber. In Victoria, the places reached by the lecture party included Blue Bell, Salmonhurst, Plaster Rock, Arthurette and Riley Brook. In York, the pictures were shown and lectures delivered at Stanley, Durham Bridge, Temperance Vale, Pokiok, Canterbury and Southampton as well as other places.

SUCCESSES RISEWHERE.

The idea of employing motor vehicles instead of railways exhibition cars to carry the lesson of forest conservation to the people was new this year, but its success cannot be questioned. Not only in New Brunswick, but also in Ontario, Quebec and Nova Scotias motor lecture tours have made notice-shold furniture consult us for best results.
