BALLANCE OF 3 DAYS
THIS BIG WEEK

The Funny, Tearful, Loving, Thrilling and Adventures 8-Reel Story

"MOLLY-O!"

Dear Little "Molly-O"

Beautiful, winsome, merry—fought her way through a hard, uphill struggle in the old-fashioned hand laundry with its wearisome, nerve-racking drudgery, to a home of comfort and happiness, richly merited indeed. Is there a

"Molly O" in Your Home?

Look, now, at your own family, at your daughter, who in these days of scarcity of competent domestic help, is toiling at the old-time washtub, spilling hands, nerves and the beauty and freshness of youth, while you can, so easily, provide her with our

IDEAL POWER WASHER

which does away with all the arduous, slavish, tiresome and dreaded elements of wash day. Think—she would have only to place the clothes in the "IDEAL" Power Washer, with water and soap, attach the hose to the kitchen faucet, turn on the water and the "Ideal" will do more than any hand washer, do it better and in a much shorter time. When the first batch has gone through and the second placed in the tub, the rinsing, blissing, etc., can go on while the washer is at work. Or you can give daughter a

"SEAFOAM" ELECTRIC WASHER

which can be connected with any electric light socket, anywhere.

COME IN, BRING DAUGHTER, AND SEE THE "IDEAL" and "SEAFOAM" WASHERS
