

## ANNUAL MEETING OF LUDLOW ST. CHURCH

The eighty-first annual business meeting of the Ludlow street Baptist church was held on Wednesday evening in the vestry of the church, John F. Ring, senior deacon of the church, presiding. The meeting was well attended and a general spirit of optimism prevailed and the members of the church are looking forward to a year of great activity with the company of the Rev. W. Alvin Robins, pastor-elect, in September.

The reports from the various departments showed that the year had been one of the best in the history of the church. The report of R. C. Makenney, clerk of the church, showed that the membership on June 1, 1921, had been \$20, and that during the year five had

Joined the church by baptism and four by letter, while fifteen had been granted letters from the church, and one member had died, leaving a total of 418 on June 1, 1922. The report showed that a total of \$4,293.67 was raised during the year, and that of this amount

\$324.25 was contributed to missions, and \$206.53 to benevolences. The Sunday school raised \$1,017.85 of this total amount.

R. J. Anderson, chairman of the board of trustees, reviewed the work of the year and presented the budget for the ensuing year, which amounts to \$4,200. The budget was approved by the members and was referred to the board of trustees. R. H. Parsons reported for music committee, that the pipe organ had been overhauled and tuned during the year, and a new motor installed. Encouraging reports were received from the Sunshine Circle, Relief Society, B. Y. P. U., W. M. A. and Junior B. Y. P. U. It was announced also that the church was practically free of debt, except for \$320 which was still due on the electric motor for the pipe organ. A change has been made in the church year and the next annual meeting will not be held until early in 1924.

The officers were elected at the meeting as follows:—Clerk, Roy C. Makenney; assistant clerks, Ernest F. Campbell and E. F. Ring; treasurer, E. W.

## Laxatives Replaced

By the Use of Nujol

Nujol is a lubricant—not a medicine or laxative—so cannot gripe.

When you are constipated, there is not enough lubricant produced by your system to keep the food waste soft. Doctors prescribe Nujol because its action is so close to this natural lubricant. Try it today.

## LEONARD HACHEY, BATHURST, KILLED

Bathurst, June 8.—The body of Leonard Hachey, of this town, was found on the railway tracks about one mile north of Gloucester Junction this morning.

Hachey was employed in the ballast pit at Gloucester Junction. While walking to his home last night he probably fell between the cars of a train and had probably been run over by a second train, as the body was horribly mutilated. He was about thirty-five years of age.

This morning his body was found by the crew of the ballast train lying on the track. The ballast train had run over him also. C. N. R. officials are investigating. Hachey was unmarried.

## VOTED \$250 FOR WAR MEMORIAL

The Fundy chapter of the Imperial Order of the Daughters of the Empire has voted the sum of \$250 towards the civic monument in memory of the fallen. The chapter held its last meeting of the season last night in the G. W. V. A. rooms with the regent, Miss Alice Fairweather, presiding and the decision to vote so large a sum was heartily made, the cause appealed strongly to the chapter. The sum of \$25 was also voted and this was to go towards furnishings for the Red Cross hut at the Lancaster hospital. Miss Frances AL-

ward was appointed as convener to make arrangements for the presentation of prizes in the Aberdeen, Glen Falls and East St. John schools at the June closing. Miss Charlotte Dodge reported on the presentation of a picture of King George to the Glen Falls school and Miss W. Ross told of the presentation of another picture to the Prince Edward street kindergarten made by Miss Pauline Baird on behalf of the chapter. Re-

ports of the relief work were also given and in this Miss Sheldon, first vice-regent, has been very active. The chapter will not meet again until September.

Following the increase of twenty cents per hundred pounds on Wednesday, the prices of all grades of sugar advanced another twenty-five cents yesterday, making the wholesale price for granulated \$6.45 here.
