

TO THE PUBLIC.

In justice to myself, family, relatives and friends, and to the public generally, it is due that I should expose the wicked attempt made by John Best to ruin my character. Best made a complaint against me for burning a School building at Beaver Harbor; I was lodged in the common jail as an incendiary for eight days, and a Bill was drawn up and laid before the Grand Jury of the present County Court, which was justly ignored by that honorable body, as there was not a shadow of evidence to convict me of such a gross outrage. I was therefore restored to the liberty which as an innocent man I was entitled to. I now solemnly declare that not even in thought did I ever intend to injure my neighbors by so horrible a deed as I have been unjustly accused of by John Best and his unprincipled associates. I have to do with a good character, and I intend to keep it. I have several respectable friends who will bear testimony to the truth of the foregoing statements, and I trust the papers which published the scandalous statement of my being guilty of arson, will do me the favor to contradict the false report.

Your Humble Servant,
WILLIAM EOLEY.

MANHOOD: HOW LOST, HOW RESTORED!!
We have recently published a new edition of Dr. CUTLER'S CELEBRATED ESSAY of the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical Incapacity, impediments to Marriage, etc. resulting from excesses.

Price, in a sealed envelope, only 6 cents, or two postage stamps.

The celebrated author in this admirable Essay clearly demonstrates, from thirty years' successful practice, that alarming consequences may be radically cured, without the dangerous use of internal medicine, or the application of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This Lecture should be in the hands of every youth and man in the land.
